Map 7

TREATY LINE
As Established by the 1900 Treaty
Mercator Projection
Datum: WGS-84
Scale: 1:360,000
Base map is taken from the 1:100,000 Soviet Union topographic mapping series, with supplemental data from satellite imagery acquired from SPOT and ASTER/TERRA. Place names are compiled by the Commission based on various sources (see "Technical Note Relating to Maps").
This map is produced for illustrative purposes only.
