

Exchange of notes constituting an agreement amending the Agreement between the Government of the French Republic and the Government of the United Kingdom of Great Britain and Northern Ireland relating to the Delimitation of the Continental Shelf in the Area East of 30 Minutes West of the Greenwich Meridian (24 June 1982)
Paris, 21 and 27 March 1990

French Republic
Ministry of Foreign Affairs
No. 725/DJ/BG/CD

The Ministry of Foreign Affairs presents its compliments to the Embassy of the United Kingdom of Great Britain and Northern Ireland and, with reference to the Franco-British Agreement relating to the "delimitation of the continental shelf in the area east of 30 minutes west of the Greenwich Meridian", signed in London on 24 June 1982, has the honour to inform it of the following.

Due to a material error in the plotting of the Breedt bank coordinates which were used to determine points 13 and 14 contained in the table in article 1 of the Agreement, British and French expert hydrographers have agreed to modify the coordinates of those points as follows:

Position	Latitude	Longitude
13	51°20'11"N	2°02'18"E
14	51°30'14"N	2°07'18"E

If the modification receives the approval of the British authorities, the Ministry of Foreign Affairs has the honour to propose to the Embassy of the United Kingdom of Great Britain and Northern Ireland that this note verbale, together with that to be sent by the Embassy in reply, should constitute an amendment to the Agreement signed between our two Governments on 24 June 1982 relating to the delimitation of the continental shelf in the area east of 30 minutes west of the Greenwich Meridian, which shall enter into force on the date when the Embassy's reply is received.

The Ministry of Foreign Affairs takes this opportunity, etc.
