Code No.	Item Description
06-11-01116	modular steel,welded cases with leveling devices,tables with casters cornor cabinets, and color matching ,enterchange eable doors and drawers .flush or chrome-plated door pulls wide variety of contertop materials available.
06-11-01117	Ultra lab flexible system,amodular concept designed for cost effectiveness adaptable to changing needs.features modular tops ,movable cabinets and adjstable counter heights,Installation and maintenance for 2 years.
06-11-01118	flammable liquid cabients,we offer awide variety of products -double wall-18 gauge steel meet OSHA and NFPA code30 requiremenets other wooden cabinetets provide safety and durability . Storge cabinet 8246-D35 ; wooden cabinet : 8245-U40;compac cabinet : 8246-BO5
06-11-01119	Microscope for ten person,arange of attachents for easy multi-observation -multi-observation bodies -universal components canbe linked into multi observation/discussion station ,accommoding from 2 to observers.and arrow pointer with LED aids communication the visual field to each observer is identical .
06-11-01120	Accessories,1-center able sextuple revolng nosepiece -J-P6RE - sextuple center able revolving nosepiece allowing centration of 3 objectives 2-2Xmaginification changer -U-ECA -manification is doubled by engaging the auxiliary 2X Lens. -acting on both the visual and the camera ports , this is the most convenient way to increase magnification for observation or imaging. 3-Drawing attachment -U-DA -the drawing attachment projects and image of the pencil and drawing surface in to the visual field -tracing of microscopic structure is made easier and more accurate. -A 10X magnification attachment is available.
06-11-01121	Anemometer/thermometer specially designed vanes give identical readings weather airflow comes from the front or back,The sensitivity and balans of this uniti low friction bearing enable measurment of even the weakest of air current temp. is displayed in C0 or F0 probe isdetachable for easy.
06-11-01122	Table top autoclaves 1250/KO6 Reliable conveyent method of steam sterilization,799 ,10 and 15 " diameter chambers . -standard drying cycle and slow exnaust -double locking safety door . -No special plumbing or venting required.-available in both mecanicaland electronic models, some with printer. -fast, fase ,dependable ,and convenient steam.st for liquids,media ,instruments,glass ware clothing and waste.
06-11-01123	Balance table for minimizing high-frequency vibration,wood ,covered with laminated plastic - polished granite block ,16X18 inches,mounted in top of lable restes on four shock absorbers - hollow sides canbe filed with sand to increase weight and stability(sand not included)
06-11-01124	Pyrex microbell jars for vacuum filtration, -With open top ground flange ,side outlet and glass base plate ground upper surface , l.d . 72 mm , inside height 94 mm; played 108 mm diameter ,10 mm thick takes No.4 stopper

06-11-01125	L .P . GAS BUNSEN BURNER for 2000 -3000 Btu (2110-3165 KJ) gases,tube ,13 mm diamter , has air -regulator collar and 17.5 mm stabilizer top - die -cast 3 1/8 inch base has serrated 8 mm inlete tube ;overall height 6 1/8 inches - conforms to federal specification NNN -B - 795
06-11-01126	Chain clamp holds up to 17cm diameter objects at any angle =easy turn tightenin knob,holds up to 17 cm diametar objects at any angle =easy turn tightenin knob - 15 cm extension arm - see clump holder for conection to support rods
06-11-01127	New bransonic ultrasonic cleaners model 3210,capacity : 1 1/2 gallons over size :15.7 x 12.5 x 14.6 ingches high tank size : 11.5 x 6 x 6 inches deep
06-11-01128	Electronic colony counter,can be used to mark and count colonies , or for virtually any aepetitive task hand -held easy - to - read four digit liquid crystal desplay shows cumulative count to 9.999 - selector switch for counting up or done can be used to correct errors during counting prosess or to check count (by counting back words) - long- life , high - visibility blak felt - tip marker warks on plastic or glass , and is oil and water resistant ; use ethyl alcohol for easy clean - up - unit includes one black and one red pen , pentip cap and 3 V battery
06-11-01129	Pilet pestle cordless drive unit for all knots pellet pestle mixers,comes complete with two "A A" butteries .Diemensions. 3" Diameter X 6" length -comact, hand held unit -motor driven.
06-11-01130	Basic dissecting kit,designed for elementary juior and seni or hihg school students - 6 instruments - chrome and stainless constraction kit includes : 6 " chrome scalpel ; 4 1/2 stanless steel dissecting scissors ;4 1/2 chrome - plated forceps ; straight dissecting neelde ; bent dissecting neeld ; pipette ; 6" raler ; single fold vinyl case with lining
06-11-01131	Distinction warter still,wall or bench mount - provides 4 LPH of distilled , pyrogen - free water - raprapid - reliable convenient & economical - all glass constraction
06-11-01132	Pyrex distilling apparatus agenaral purpose batch distillation assembly with the facillay for addition via the T pyrex stopped neck, Ideally suited for the batch production of high purity distilled water _ the flask bottom is flat with aslide delivery tube ,terminating in T joint _ condenser tubulations are 10mm _ 500ml and 1,000ml units have T 19/38 joints ,while the 2000 ml unit has T 24/04 joints . supplied with coiled_ tobe condenser , with mating joint of the same size
06-11-01133	Freezers Heavy - duty ,commevsial grad construction,_ solid & galss door models available - 5-year compressor warranty - digital thermometer & thermostat - automatic electric deforst - written performance certification Tempretuer is adjus table from 22 C0 _12C0 & comes factory preset at 20 C0 Freezers use environmentally safe ,CFC - free R- 404 A refrigerant & 3" non- CFC polyurethan foam insulation power Requirements ; 115VAC , 60 HZ except 5144-N13,N17 N21 : 115 /208 /230VAC , 60 HZ : Note :220 V models are avilable cell for information
06-11-01134	Protector - fume Hoods (continued) protector 60,Blower capacity (960 CFM) using 12 inch l.d. duct ;1/2 hp motor overall diamensions 1,498 x 819 x1,498 mm high ; sash opening 1,288 x 660 mm high . 115v 60 Hz with out cord or plug shipping weight 409 lbs .
06-11-01135	Mixers ,fisher variable - speed variaable speed touch mixer, 115 V ,60 HZ, 0,8 A,variable speed for gentler mixing action at lower speeds . Can achieve 2600 rpm mixing speed to handle liquids with aviscosity up to 30 centipoises (in atest tupe) or up to 15 centipoises (in aflask) . 115 v model approved
06-11-01136	Lebel tape ; write .on tm ,colour coded,Lebl tape works well with all glass & plastic labware , racks , tubing , bags , boxes , or cabinets of any material . At adheres to any clean surface , including teflon & peels off without leaving asticky residue . Can be used down to - 37 C0 : all rolls fit on standard 76 mm cores . all rolls 36.6 m long .all width are 12.7 mm colour are 1- white 2- red 3- yellow 4- green 5- blue
06-11-01137	Scoop ,round bottom ,metel stanless steel, cylinder , with handle,overall length mm 190 mtx,width,mm 50

06-11-01138	Safety cabinets, class 2, BS 5726 & DIN 1295-10, clean air series (CARE/3) epoxy, CARE 3 safety cabinet, membrane key pad controls - support frame with adjustable feet - monitoring of all safety functions - gas / vacuum tap in the working area - one piece V-shaped stainless steel - socket outlet in the working area / working surface - burner socket - operational hour counter - different UV- armature options - armrest/aerofoil - extra connections - key-switch with function system - double exhaust-filter kit, to meet BS 5726, when recirculating the exhaust air - half-speed switch - pre-filter system - dop connection - Connection to disinfection systems stainless- steel interior
06-11-01139	Lab Cover Coats, For men and women, Fluid resistant polyester cotton coats collar open; medium size .QYU: (50) for men and .QYU: (50) for women
06-11-01140	Fire Extinguisher, (WATER) * Braded hose of accurate jet control * Refill kit available, compressing a new security seal and 55 gram CO2 gas cartridge * Instruction leaflet supplied * mounting bracket * 9 liter capacity
