Code	Description		
06-09-00001	Carpentry machine, multi-function, large size, min. 7 functions (cutting, milling, drilling, making, grooving) 3 phase, 12" dia. cutting blade, 2 m bed, with spare blades, sharpener and consumables		
06-09-00002	Strip carpentry saw (90 cm band saw) with full accessories, 2 spare blades and Sharpening tools		
06-09-00003	Wood turning lathe with all accessories, 30 cm bed gap, 75 cm working space.		
06-09-00004	Full set of Carpentry tools for hand work in a wooden case with bench		
06-09-00005	Disk saw machine with all accessories (with 6 pieces of 12" disks and 6 pieces of 10" disks)		
06-09-00006	Welding machine for the strip saw		
06-09-00007	Circular saw portable electrical for wood, 6" diameter blade with 2 spare blades.		
06-09-00008	plane machine (Electrical, 3 phase)		
06-09-00009	Compressor with air gun and painting spryer - 15 bar - complete set		
06-09-00010	Manual vice (Fastener)German made 60 cm length		
06-09-00011	Manual vice (Fastener)German made 90 cm length		
06-09-00012	Hydraulic Pressing machine for wood works		
06-09-00013	Electronic welding machine 0-180amps, 220V, 50Hz, monophase		
06-09-00014	Electrical disc cutter for steel work, 12" dia discs with 6 spare disks		
06-09-00015	Drilling machine - bench type, electrical, chuck 1 - 22 mm for steel		
06-09-00016	Grinding machine, bench model, double wheel, coarse and fine with spare wheels		
06-09-00017	Drill Machine, 15" five speed utility drill press, floor model		
06-09-00018	Multi Flute Vertical End Mills -Single End		
06-09-00019	Digital clamp-On volt-Ohm-ammeters		
06-09-00020	TV 20" color with drawings for student demonstration		
06-09-00021	TV 14" Black and white with drawings for student demonstration		
06-09-00022	Radio FM and AM for students demonstration		
06-09-00023	Oscilloscope		
06-09-00024	Oscillator		
06-09-00025	Digital Avometer		
06-09-00026	Avometer None digital		
06-09-00027	Induction Motors 3 phase, variable power		
06-09-00028	Motors, single phase for demonstration		
06-09-00029	Series Motors, single phase		
06-09-00030	Parallel Motors, single phase		
06-09-00031	Repulsion motors for demonstration		
06-09-00032	Digital measurement to determine number of coils of		
06-09-00033	4 stroke petrol Engine, prototype for student demonstration		
06-09-00034	Diesel Engine, prototype for student demonstration		
06-09-00035	Gear Box mechanic, manual for student demonstration		
06-09-00036	Gear Box mechanic, Automatic for student demonstration		
06-09-00037	Fuel Pump(Diesel) for student Demonstration		
06-09-00038	Spark Distributor Device for Benzene Engines		
06-09-00039	Electronic Universal Vernier calipers 250mm capacity using for inside and outside measurement		
06-09-00040	Outside Micrometer to 1/1000mm		
06-09-00041	Universal Combined 7 works machine 2200-500mm (carpentry machine)		
06-09-00042	Lathe Machine for wood working update model		
06-09-00043	Combination Horizontal and Vertical Band saw		
06-09-00044	Milling machine cutters (Modol 1 - 8)		
06-09-00045	Cutter holders (base) for horizontal milling machine for different modol		
06-09-00046	Drawing board with accessories (small size for student		
06-09-00047	T-squares (small size for student use)		
06-09-00048	Geometrical sets for student use		
06-09-00049	Acetylene welding instrument with all accessories		
06-09-00050	Universal Vernier caliper to 1/100mm, L 250mm		
06-09-00051	Engine Cylinder Compression gauge		
06-09-00052	Little Giant Jr. Tap& Die Sets, metric system		
06-09-00053	Little Giant Jr. Tap& Die Sets, British system		
06-09-00054	Rigid Threading Machine 1/2" to 5"
