| 02-03-02460 | Grasping forceps-JUMBO RAT Tooth-Alligator Jaws                                                        | 2000      |
| 02-03-02461 | Grasping forceps-Tripod type                                                                           | 2000      |
| 02-03-02462 | Grasping forceps -Pentopod type                                                                        | 2000      |
| 02-03-02463 | Grasing forceps-Basket (A-set)                                                                         | 2000      |
| 02-03-02464 | Grasing forceps-Basket (B-set)                                                                         | 2000      |
| 02-03-02465 | Surgical scissors (FS)                                                                                 | 2000      |
| 02-03-02466 | Suture cutting forceps (FS)                                                                            | 2000      |
| 02-03-02467 | Loop cutting forceps                                                                                   | 2000      |
| 02-03-02468 | Hot Biopsy forceps (FD)- forceps (A-set)                                                               | 2000      |
| 02-03-02469 | Hot Biopsy forceps (FD)-Main body                                                                      | 2000      |
| 02-03-02470 | Polypectomy snare for long colonoscope                                                                 | 2000      |
| 02-03-02471 | Heat probe (flexible probe)                                                                            | 2000      |
| 02-03-02472 | Diathermy cutter (needle type A*B)                                                                     | 2000      |
| 02-03-02473 | Washing pipe - standard                                                                                | 2000      |
| 02-03-02474 | Clip fixing device (clip device)                                                                       | 200       |
| 02-03-02475 | Rotatable clip fixing device (clip device main body)                                                   | 200       |
| 02-03-02476 | Clips single use (pack of 50 clip)                                                                     | 20 pack   |
| 02-03-02477 | Variceal ligating device- Vari Loop-main body                                                          | 200       |
| 02-03-02478 | Variceal ligating device- Vari Loop-handle                                                             | 200       |
| 02-03-02479 | Variceal ligating device-loops                                                                         | 200       |
| 02-03-02480 | Injection needles for sclerotherapy 4mm long                                                           | 2000      |
| 02-03-02481 | Injection needles for sclerotherapy 6mm long                                                           | 2000      |
| 02-03-02482 | Injection needles for sclerotherapy 8mm long                                                           | 2000      |
| 02-03-02483 | Injection needles-reusable sheath 4mm                                                                  | 2000      |
| 02-03-02484 | Injection needles-reusable sheath 6mm                                                                  | 40        |
| 02-03-02485 | Cleaning brushes                                                                                       | 200       |
| 02-03-02486 | Distal attachment ( to aid mucosal resection)                                                          | 100 packs |
| 02-03-02487 | Suction polyp trap                                                                                     | 100 packs |
| 02-03-02488 | Emergency mechanical lithotriptor (A set) &coil sheath                                                 | 16        |
| 02-03-02489 | Ultrasonic gasrovideoscope (GF -UMQ 200 )                                                              | 4         |
| 02-03-02490 | Color video printer UP-2850 P/2800 P/2300 P                                                            | 16        |
| 02-03-02491 | Electrosurgical unit UES-20                                                                            | 20        |
| 02-03-02492 | OES Xenon light source (CLV-S 20)                                                                      | 10        |
| 02-03-02493 | Endoscopic photography equipment (OES instant camera )                                                 | 10        |
| 02-03-02494 | Two- broad channel parameter therapeutic videoscope with forceps elevator & forward jetting irrigation | 10        |
| 02-03-02495 | Overhead projector                                                                                     | 4         |
| 02-03-02496 | Video microscope                                                                                       | 4         |
| 02-03-02497 | Electron microscope                                                                                    | 2         |
| 02-03-02498 | Nucliec+B2383 acid hybridization                                                                       | 6         |
| 02-03-02499 | Scanning microscope                                                                                    | 8         |
| 02-03-02500 | Close circuit TV                                                                                       | 40        |
| 02-03-02501 | Microscope (specialist)                                                                                | 20        |
| 02-03-02502 | Gamma counter for hormones                                                                             | 6         |
| 02-03-02503 | Schling test instrument C24 hr. urine sample)                                                          | 6         |
| 02-03-02504 | Rotary and electric microtomes                                                                         | 6         |
| 02-03-02505 | Cytospin centrifuge                                                                                    | 6         |
| 02-03-02506 | Teaching microscope(4 heads)                                                                           | 6         |
