PUBLIC NOTICE

The United Nations Economic Commission for Africa maintains a Vendor Database to facilitate inclusive and transparent procurement of goods and services. In an effort to expand the scope and number of vendors available, the UNECA is currently updating its Vendor Database. All interested vendors are requested to register by accessing the revised application form at:

<http://www.uneca.org/procurement/VendorRegistrationForm.xls>

After completion, you may send the form via e-mail to VendorRegistration@uneca.org or by mail to:

Room 2nd floor North 12
Tel: 251 1 445466
Fax: 251 1 11 5 511874

As per UNECA's revised requirements, vendors will need to update their information annually in order to remain on the Database. All vendors already registered with the UNECA are requested to resubmit their information in the revised format.

Please note that applications will be placed on the Database subject to vendors fulfilling the basic requirements as outlined on the UNECA website. Vendors are requested to access the detailed eligibility criteria at:

<http://www.uneca.org/procurement/>

Inclusion in the Vendor Database allows vendors to compete for procurements undertaken by UNECA in their areas of expertise.

Thank you.
