

LIST OF ENTITIES
ESTABLISHED PURSUANT TO SECURITY COUNCIL RESOLUTION 1483 (2003)

The Security Council Committee established pursuant to resolution 661 (1990) concerning the situation between Iraq and Kuwait has designated the public entities listed below pursuant to resolution 1483, paragraphs 19 and 23:

Paragraph 19 of resolution 1483 (2003) states that the Committee shall identify individuals and entities referred to in paragraph 23 of the same resolution. On 27 June the Committee adopted its first list of individuals. On 21 November, the Committee adopted its first list of entities. The Committee welcomes further submissions from Member States of individuals or entities, and it may identify additional individuals and entities in the future. At the same time, the Committee emphasizes that its listing of such individuals and entities is designed only to assist Member States in implementing paragraph 23, and that paragraph 23 may nevertheless cover other individuals and entities.

The Committee further emphasizes its common understanding that the obligation to freeze and immediately to cause the transfer to the Development Fund for Iraq assets of those Iraqi public entities covered by paragraph 23(a) applies only to those funds or financial assets or economic resources that were located outside of Iraq on 22 May 2003. The Committee shares the view that paragraph 23(a) can be implemented in a manner that does not impair the renewed operations of these Iraqi public entities outside of Iraq, which may assist in the reconstruction of Iraq.

In furtherance of this objective, the Committee notes that paragraph 23(a) does not require (1) the freezing of the funds, financial assets or other economic resources of these entities that are deposited with or by, or have otherwise accrued to, them after 22 May 2003, or (2) the prohibition of post-22 May transactions by these entities, provided that such assets are not otherwise covered by paragraph 23 of resolution 1483. The Committee, however, notes that the obligation to freeze and transfer the assets of the individuals or entities covered by paragraph 23(b) does apply to their assets held on or after 22 May 2003.

2. IRAQ REINSURANCE COMPANY

Activity: Reinsurance company

Address: Al Khalani Square, Baghdad, Iraq

This company is a public enterprise which enjoyed a monopoly in reinsurance. Formerly under the authority of the Ministry of Finance, it had its headquarters in Baghdad (Al Khalani Square).

Its latest published capital (1980) was 300 million ID (Iraqi dinars). This company is part of the Arab Insurance Federation, which has its headquarters in Cairo. The former President was dismissed at the end of the conflict. Mr. Fouad Abdullah AZIZ succeeded him.

This bank has 191 branches within the country and 7 branches abroad (United Kingdom, Jordan, United Arab Emirates, Yemen, Sudan and Egypt). It has not been possible to identify its participation, if any, in industrial or service enterprises. The President of the Bank, Mr. Dhia AL KHAYOUN, has retained the post he held prior to the conflict. Mr. Hayder AL AZRI was appointed Coalition Provisional Authority Adviser to the Bank in May 2003.

This bank is also a public institution and is under the authority of the Ministry of Finance.

Its capital is currently fixed at 2 billion ID, its reserves amount to 6 billion ID and its latest balance (2001) was 15.9 billion ID. The bank has 161 branches in Iraq and is not represented abroad. Its President was dismissed after the conflict. The current President, who was appointed recently, is Mr. Abdelhadi SADIK.

5. IRAQI AIRWAYS COMPANY

(a.k.a. Iraq Airways Company)

(a.k.a. Iraqi Airways)

(a.k.a. Iraq Airways)

(a.k.a. IAC)

(a.k.a. I.A.C.),

Other information: State-owned airline

Security Council resolution 1483 (2003) set the definition of relevant entities including: “funds, financial assets, State bodies, corporations or agencies of the previous Iraqi Government”.

Iraqi Airways Company, as a State-owned corporation, operated under the exclusive authority of the former Government of Iraq. One example of the relationship between the former Government of Iraq and Iraqi Airways Company was the payment of legal expenses and costs associated with litigation in the United Kingdom between Iraqi Airways Company and Kuwaiti Airways, by the former Government of Iraq. Landau and Scanlon (legal representative of Iraqi Airways Company) have not contested, nor intend to contest the legitimacy of the Iraqi Airways Company listing on the Bank of England financial sanctions Web site, as an entity of the former Government of Iraq under the provisions of paragraph 23 of Security Council resolution 1483. This fact in itself incontrovertibly supports the view that the Iraqi Airways Company were/are a State-run entity of the former Iraqi Government.

Further evidence of the former Government of Iraq's control over Iraqi Airways Company can be found at the appropriate entry for the entity held by the Arab Air Carriers Organization, which lists the company as "public sector owned". The World Tourism Organization describes the company as "a national governmental company". The company also established sales offices in the Middle East.

Security Council resolution 661 (1990) decided that all United Nations Member States should "not make available to the Government of Iraq, or to any commercial, industrial or public entity undertaking in Iraq or Kuwait, or any funds or other financial or economic resources...". A number of Member States seized several aircraft belonging to the Iraqi Airways Corporation, as required by resolution 661 (1990). These aircraft remain frozen by Member States pending their return to Iraq as required by Security Council resolution 1483 (2003).

There is therefore sufficient evidence to support the inclusion of Iraqi Airways Company on the list of entities established pursuant to paragraphs 19 and 23 of Security Council resolution 1483 (2003).

On 26 April 2004, the Security Council Committee established pursuant to resolution 1518 (2003) approved the addition of the following 199 names to the list of entities identified pursuant to paragraphs 19 and 23 of resolution 1483 (2003):

Al Wasel and Babel General Trading LLC (AWB) is a company in the United Arab Emirates used by the former Iraqi regime to obtain a 10-percent kickback on goods purchased through the UN Oil-for-Food (OFF) Program and to procure goods unauthorized by the United Nations.

A letter signed by former Iraqi Deputy Prime Minister and Finance Minister Hikmat Mizban Ibrahim al-Azzawi, dated 2 January 2001, provided instructions for the Iraqi government to obtain a 10-percent fee payment on all goods purchased from other countries under OFF. The letter instructed Iraqi government officials to purchase the goods through trading companies, one of which was AWB.

A separate document from al-Azzawi set out the procedure for collecting the 10-percent fee from companies engaging in trade with Iraq. The document specifies that the Rafidain Bank in Jordan can be used for receiving the funds in these transfers and that AWB is to be used to transfer the goods.

Information in the possession of the United States indicates that AWB was involved in an attempt by Iraq to purchase a sophisticated surface-to-air missile system. Approximately \$43.5 million was in a United Arab Emirates (UAE) bank that was to be used as partial payment for this system under the terms and conditions of the missile contract. This purchase involving military goods was prohibited under United Nations sanctions against Iraq.

An investigation of the missile deal by the U.S. Bureau of Immigration and Customs

Enforcement's office (BICE), in Tampa Florida, revealed that:

- A business account for AWB was opened at the Abu Dhabi National Bank (NBAD) in December 2000 by a UAE national and Hikmat Jarjes Bahnam, an Iraqi national whose passport identifies him as an Iraqi government official. Both were named as licensed for trading for AWB. Tarik Nasser S. Al Obaidi, an Iraqi national, was also a signatory of this account.
- One early transaction of the NBAD business account was an inbound transfer of \$7 million by order of Hekmat Mazban Ibrahim, who is probably Hikmat Mizban Ibrahim al-Azzawi, in December 2000. Shortly thereafter, \$6.9 million of that amount was transferred by order of al-Azzawi to a second AWB account.
- From early 2001 to early 2002 there were numerous additional transfers between two AWB accounts resulting in a balance of \$43.5 million in one of them.
- Documents obtained during the investigation show that the \$43.5 million balance was directly related to "contract N24398," the purpose of which was to fulfill the sale of the radar-controlled surface-to-air missile system to Iraq.

An official of the Abu Dhabi National Bank told U.S. BICE investigators that it was unusual that the AWB accounts that contained the \$43.5 million only had Iraqi personnel as signatories for accessing the monies. The bank official told the investigators that the principal of the company, a UAE citizen, had no control over the monies deposited, and that the Iraqi government and its agents are the real owners of AWB.

Tarik al-'Ubaydi, an Iraqi national who previously served as director of the Iraqi Central Bank and as of 2001 was part of AWB's office staff, and Iraqi national Joseph Girguis who was also formerly employed by the Iraqi Central Bank, acted as Uday Saddam Hussein's representatives in Dubai.

198. AL-HUDA STATE COMPANY FOR RELIGIOUS TOURISM
(a.k.a. AL-HUDA FOR RELIGIOUS TOURISM COMPANY)
(a.k.a. AL-HODA STATE COMPANY FOR RELIGIOUS TOURISM)
(a.k.a. AL-HODA FOR RELIGIOUS TOURISM COMPANY),
Address: Iraq

Iraq-based Al-Huda State Company for Religious Tourism (Al-Huda) served as a commercial front for the Iraqi Intelligence Service, an agency of the former Iraqi government, and was controlled by Uday Saddam Hussein, the son of the former Iraqi President Saddam Hussein.

AL-Huda held a monopoly under the former Iraqi regime over the provision of transportation and other tourism services to Iranian pilgrims visiting the Shi'ite shrines in the Iraqi cities of Karbala and Najaf. Press reporting suggests that this lucrative monopoly sent \$600 out of a standard eight-day tour package directly to regime coffers. Estimates concerning the annual revenue generated by this trade vary, with some sources putting the figure as high as \$500

million.

199. AVIATRANS ANSTALT
(a.k.a. AVIATRANS ESTABLISHMENT),
Address: Ruggell, Liechtenstein

Logarcho S.A. and Aviatrans Anstalt are two related companies that were established to manage assets of the former Iraqi regime and its senior officials. The Swiss company Logarcho is reportedly the owner and manager of French real estate ultimately owned by Saddam Hussein. Aviatrans, a Liechtenstein company, was reportedly the registered owner and manager of a Falcon-50 jet purchased by the Iraqi Ministry of Communications with Iraqi Air Force funds and used to transport senior Iraqi government officials.

Khalaf Al-Dulaymi, a director of investments for the Iraqi Intelligence Service, controlled Logarcho and Aviatrans. To further conceal the true ownership of the Falcon-50 jet, Hasan Ahmed S. Adnan, an Iraqi aircraft technician, was listed as its owner. Recognizing the former Iraqi regime's interest in the aircraft, Liechtenstein authorities recently deregistered the jet and initiated liquidation proceedings against its legal proprietor, Aviatrans. Liechtenstein authorities have announced their intention to "make this aircraft . . . available for the reconstruction of Iraq."

Commercial reporting and the Geneva Commercial Registry indicate that Al-Dulaymi was the president, administrator and authorized signatory of the Swiss company Midco Finance S.A. Commercial reporting indicates that he is also a principal of Montane Management INC. According to press reports, Montane owned 8.4 percent of the French publishing company Hachette and 2.5 percent of Matra, a French missile and defense electronics manufacturer (Hachette and Matra were later merged into the French firm Lagardere SCA).

Al-Arabi is the ultimate holding company for a number of companies that were engaged in military procurement for the former Iraqi regime. In 1991, Al-Arabi was identified in press articles as a Government of Iraq (GOI) entity involved in procuring parts and equipment for Iraq's nuclear and biological weapons and missiles programs.

Al-Arabi was formerly under the Military Industrial Commission and was claimed by Iraq to have been liquidated in November 1993. At that time, Al-Arabi was controlled by a Ministry of Industry and Military Industrialization subordinate called the Technical Corps for Special Projects (TECO or Techcorp).

Al-Arabi is the ultimate holding company for over 12 front companies. Al-Arabi owns 99 percent of the UK incorporated company Technology and Development Group Limited which in turn owns TMG Engineering Limited. TDG/TMG were involved in Iraq's arms procurement network during the late 1980s.

(a.k.a. AL-BUSHAIR TRADING COMPANY, LTD),

Address: Sadoon St, Al-Ani Building, first floor, Baghdad, Iraq

Press reporting and information available to the U.S. government indicate that the Al-Bashair Trading Company Limited acted as the largest of Iraq's arms procurement front companies until the beginning of Operation Iraqi Freedom and was involved in a range of sanctions busting and corruption schemes on behalf of the former regime. Al-Bashair reported directly to the Organization of Military Industrialization, the Iraqi state enterprise responsible for Iraq's military procurement programs headed by former Deputy Prime Minister Abd-al-Tawab Mullah Huwaysh. Huwaysh is named by the United Nations as a senior official of the former Iraqi regime on the list established pursuant to Security Council Resolution 1483. Investigative reporting by the Los Angeles Times on 30 December 2003 based on documents removed from Al-Bashair's Baghdad headquarters describes a variety of deals involving sham contracts, kickbacks, falsified export documentation and money laundering designed to deceive UN inspectors and deliver, among other things, missile components, surveillance equipment and tank barrels to the former Iraqi regime. The company also allegedly helped senior officials of the former regime launder and hide Iraqi government funds. Munir Al-Qubaysi, the director of Al-Bashair, left Iraq prior to Operation Iraqi Freedom and is currently residing in Syria.

On 2 June 2004, the Security Council Committee established pursuant to resolution 1518 (2003) approved the addition of the following 2 names to the list of entities identified pursuant to paragraphs 19 and 23 of resolution 1483 (2003):
