**OFFICE OF THE PERMANENT REPRESENTATIVE/PERMANENT OBSERVER**

Attached please find the provisional list of speakers of the National Action and Ambition Announcements of the Climate Summit, to be held on 23 September 2014.

Please be reminded that to ensure that all speakers have the opportunity to address the plenaries, interventions must not exceed **four (4) minutes**. In fairness to all speakers, time limits will be strictly enforced. A light mechanism will be installed at the rostrum, in order to assist the speakers with the timely delivery of their statements. Speakers will be interrupted should they exceed the time limit. Should leaders wish to present longer statements, Missions are encouraged to send the full versions of their national announcement to [ccst@un.org](mailto:ccst@un.org), for posting on the Climate Summit website at the conclusion of the Summit.. Delegations may wish to inform their capital of this procedure.

The attached list of speakers reflect groupings split in alphabetical order, speaking assignments based on protocol and on a first-come first-served basis, and four announcements introducing the joint conclusion.
