### DESCRIPTION OF REQUIREMENTS

The United Nations Mission for Justice Support in Haiti (MINUJUSTH) seeks expressions of interest (EOI) from reputed custodial maintenance services companies for providing custodial maintenance services across MINUJUSTH's six major premises in Port-au-Prince.

The desired services include the daily cleaning of buildings, grounds maintenance and gardening at each of these six major premises.

The indicative scope associated with the desired services is as follows:

1. Buildings: 56,000 sqm
2. Grounds Maintenance and Gardening: 257,000 sqm
3. Overall premise facilities footprint requiring services: 313,000 sqm

The detailed scope of requirements will be provided in the UN's Request for Proposal (RFP), which will be emailed to vendors responding to this EOI, in consideration of the conditions listed below.

### SPECIFIC REQUIREMENTS / INFORMATION (IF ANY)

All vendors responding to this EOI will first be screened for market maturity (years of experience) in custodial services for the indicative scope referenced and other points contained in the Vendor Response Form. Qualified vendors will then be contacted for participating in a mandatory site visit of all six major premises, which will provide each vendor a general indication of the buildings and associated grounds maintenance and gardening considerations.

Shorlisted vendors shall be required to develop a custodial services program based on the RFP and mandatory site visit, and be fully capable of providing all necessary personnel (labor and supervision), and equipment and materials for fulfillment of the services.

The UN will only contract the services of a vendor who has a clear understanding, capacity and proven experience to handle contracts of this nature.
