

# Come To Our Workshop!

## ***“Education for Global Citizenship in Eradicating Poverty: A Crowdsourced Conversation”***

- This workshop explores how global citizenship interfaces with all aspects of SDGs in the process of eliminating poverty.
- Allowing for fluid interaction among attendees, the workshop seeks to address, through conversation, the importance of global citizenship and its conceptual underpinnings, in eradicating systemic poverty on a global scale.
- It will consist of breakout sessions, reflecting on questions based on the Statement. Feed-back to the larger group will be followed by input from respondents.
- The compilation of points made during the session will be used in the ongoing discussions of the Coalition for Global Citizenship 2030.
