Inclusion of Persons with Disabilities

Resource materials

Compilation from IASG members for UN Enable website

Work in Progress, October 2011

Introduction

This document provides a compilation of resource materials and tools including guidelines, reference tools and other materials on disability from members of the IASG. The aim of this exercise was to provide a comprehensive list and overview of the resources and tools developed which the IASG members can utilize for implementing the IASG Joint Statement of Commitment and for promoting activities in line with the IASG Strategy and Plan of Action. The document will be posted on the UN Enable website and will be revised periodically. The following notes were used in compiling the information.
