Fifty-sixth Session

Supplement No. 10 (A/56/10)

24 October 2001

---

**International Law Commission: report on the work of its fifty-third session (23 April-1 June and 2 July-10 August 2001)****Corrigendum****1. Page 122, commentary to article 11, paragraph (6), penultimate sentence**

The sentence *should read*

Indeed, provided the State's intention to accept responsibility for otherwise non-attributable conduct is clearly indicated, article 11 may cover cases where a State has accepted responsibility for conduct of which it did not approve, which it had sought to prevent and which it deeply regretted.

**2. Footnote 432**

The footnote *should read*

*I.C.J. Reports 1997*, p. 7, at p. 46, para. 57.

**3. Footnote 525, line 3**
