

Resolution 2002/1
Reproductive rights and reproductive health, including human immunodeficiency virus/acquired immunodeficiency syndrome (HIV/AIDS)*

The Commission on Population and Development,

Reaffirming the Programme of Action of the International Conference on Population and Development,¹ in particular those recommendations relating to reproductive rights and reproductive health,

Reaffirming also the key actions for the further implementation of the Programme of Action of the International Conference on Population and Development,² in particular those relating to reproductive rights and reproductive health,³

Reaffirming further the Beijing Platform for Action⁴ and the further actions and initiatives to implement the Beijing Declaration⁵ and the Platform for Action

* For the discussion, see chap. II.

adopted at the twenty-third special session of the General Assembly,⁶ in particular those recommendations relating to reproductive rights and reproductive health,

Bearing in mind the goals and objectives of the United Nations Millennium Declaration⁷ and the outcome of other major United Nations conferences and summits and their reviews, in particular on population and development,

Bearing in mind also the Universal Declaration of Human Rights⁸ and the Declaration of Commitment on HIV/AIDS,⁹

Recalling that the theme for the thirty-fifth session of the Commission on Population and Development was “Reproductive rights and reproductive health, with special reference to human immunodeficiency virus/acquired immunodeficiency syndrome (HIV/AIDS)”,

1. *Requests* the Population Division of the Department of Economic and Social Affairs of the United Nations Secretariat to continue its research and requests the United Nations Population Fund to continue its programming on reproductive rights and reproductive health, in close collaboration with each other and with all other relevant funds, programmes and agencies of the United Nations system;

2. *Also requests* that the Population Division, in collaboration with the Joint United Nations Programme on Human Immunodeficiency Virus/Acquired Immunodeficiency Syndrome (HIV/AIDS) (UNAIDS) and other relevant funds, programmes and agencies, strengthen its work on the demographic aspects and impact of human immunodeficiency virus/acquired immunodeficiency syndrome (HIV/AIDS);

3. *Further requests* that the Population Division incorporate the findings from this and other relevant research on reproductive rights and reproductive health, including the interrelationship with HIV/AIDS, in its contribution to the next review and appraisal of the implementation of the Programme of Action of the International Conference on Population and Development¹ scheduled for 2004 and, to the extent appropriate, to the annual reviews of the Declaration of Commitment on HIV/AIDS⁹ as well as to any other relevant review processes.
