recalling the resolve to take concrete action to implement the Monterrey Consensus and address the challenges of financing for development in the spirit of global partnership and solidarity in support of the achievement of the internationally agreed development goals, including the Millennium Development Goals,

Mindful that Member States and other stakeholders have put forward concrete proposals on the subject of strengthening the financing for development follow-up process,

Reaffirming that each country must take primary responsibility for its own development and that the role of national policies and development strategies cannot be overemphasized for the achievement of sustainable development, and recognizing that national efforts should be complemented by supportive global programmes, measures and policies aimed at expanding the development opportunities of developing countries, while taking into account national conditions and ensuring respect for national ownership strategies and sovereignty,

Deeply concerned by the adverse impacts of the global financial and economic crisis on development, including on the capacity of developing countries to mobilize resources for development, and recognizing that an effective response to the current crisis requires the timely implementation of existing aid commitments,

1. *Reaffirms* the importance of staying fully engaged, nationally, regionally and internationally, in ensuring proper and effective follow-up to the implementation of the Monterrey Consensus,⁵ as reaffirmed in the Doha Declaration on Financing for Development,⁶ and of continuing unremitting efforts to build bridges between all relevant stakeholders within the holistic agenda of the financing for development process;

2. *Reiterates* the role played by the United Nations as a focal point for the financing for development follow-up process and the need to maintain this role to ensure the continuity and dynamism of the process, while reaffirming the need to further intensify the engagement of all stakeholders, including the United Nations system, the World Bank, the International Monetary Fund and the World Trade Organization, in the follow-up and implementation of the commitments made at Monterrey and Doha;

5. *Welcomes* the new modalities of the special high-level meeting of the Council with the Bretton Woods institutions, the World Trade Organization and the United Nations Conference on Trade and Development, and takes note of the consultations held with those stakeholders prior to that meeting;

8. *Encourages* the President of the Council, in consultation with Member States, to continue to work with the appropriate representatives of the Bretton Woods institutions, the World Trade Organization and the United Nations Conference on Trade and Development to improve the agenda and the format of the Council's high-level meeting, considering innovative approaches that are conducive, inter alia, to the high-level participation of those institutions;

9. *Welcomes* the efforts undertaken to give more prominence to the consideration of the agenda item on financing for development during the annual substantive session of the Council, including the allocation of the item to its coordination segment, and stresses its resolve to continue to improve those modalities;

13. *Encourages* the Department of Economic and Social Affairs of the Secretariat, and especially the Financing for Development Office, to maintain regular interaction at the staff level with the World Bank, the International Monetary Fund, the World Trade Organization and the United Nations Conference on Trade and Development in the interest of greater coherence, coordination and cooperation, each acting in accordance with its respective intergovernmental mandates;

14. *Acknowledges* the efforts already undertaken to strengthen the financing for development follow-up process, underscores the fact that the modalities of the process should be reviewed, as appropriate, within a time frame to be determined by the General Assembly, and notes that the Secretary-General will present concrete proposals on the further strengthening of the financing for development follow-up process for consideration by Member States at the sixty-fifth session of the General Assembly;

15. *Reiterates its appeal* to Member States and other potential donors to consider contributing generously to the Financing for Development Trust Fund, which would facilitate the implementation of a strengthened and more effective intergovernmental inclusive process to carry out the financing for development follow-up.
