

Guidelines for Submission of Draft Resolutions in the General Assembly

NOTE: a 3 day minimum notice is required by UN Documents Control to process a draft resolution as an "L" document ("L.doc") in all languages.

Submissions must be done by delegations *in person* to a representative of the General Assembly Affairs Branch (GAAB), as follows:

- Electronic version of the text (email, USB key or CD)
- Hard copy (signed and dated on every page)
- List of Co-sponsors with signatures (if delegation wishes that Member States be listed on the initial L-doc.)
- Signing by delegation in person of submission certificate (provided by GAAB at time of submission)

TIP: SUBMITTING A DRAFT RESOLUTION

- To reserve rooms for consultations on draft resolutions before submission, please contact Meetings Planning & Coordination, (212) 963-8114 or (212) 963-7351;
- Submissions can be done at the GAAB offices (Room IN 636A, 300 East 42nd Street (at Second Avenue)) or in the General Assembly Hall during plenary meetings. Please contact Mr. Ziad Mahmassani, (212) 963-2333;
- For the Programme of Work please contact Mr. Kenji Nakano, (212) 963-5411.

For draft resolutions ("L.--" doc) based substantially on pre-existing resolutions, the officially issued version (e.g. the A/RES document issued on ODS) must be used as the base text, with all new text and changes to the old text clearly indicated (using the TRACK CHANGES option in word – see details below).

For revised draft resolutions ("L.--/Rev.—" doc), the original draft resolution issued on ODS must be used as the base text, with all revisions clearly indicated.

Drafts not in compliance with above guidelines will delay the processing dates of the draft resolution.

TIP: USING TRACK CHANGES IN WORD

- Locate the officially issued resolution or L.doc on the ODS (A/RES or L.--) and "Save As" the document as a new document in Word;
- On the tools menu, choose the "Track Changes" option to open the Reviewing toolbar;
- Turn on Track Changes option by clicking the icon  and make changes onto the document;
- Any changes to the original text will be indicated in the document.

Once the text has been finalized, i. e. after negotiations have been completed, delegations can table a draft resolution. Once the text is final, Member States can start collecting co-sponsors' signatures.

Please inform GAAB IF ...

- the delegation intends to introduce the draft resolution at a plenary meeting
- there will be additional sponsors and the manner in which the Co-sponsors' signatures be collected
- changes to the draft resolutions are expected -- any oral changes made to a draft resolution must be certified with the author of such changes (signature from the proposing delegation).

TIP: CO-SPONSORING A DRAFT RESOLUTION

- **Member States submitting a draft resolution must sign the co-sponsor form** (which can be obtained from GAAB in the General Assembly Hall or in Room NL-1033 (NLB building);
- Delegations need to **sign** and **print** their name on the list, including the **date** of signature;
- If delegations so wish, signatures can be received on their behalf, in which case they would need to inform Member States that a copy is available in the General Assembly Hall or Room NL-1033 (NLB building) for signature. The list has to be accompanied by a copy of the draft resolution for the perusal of delegations;
- Refrain from circulating multiple versions of the co-sponsor form: inform GAAB if there are additional Co-sponsor lists. GAAB must receive all lists BEFORE the adoption of the resolution;
- No signatures will be accepted once a resolution has been adopted.
