

UNITED NATIONS GENERAL ASSEMBLY, 71ST SESSION

DELEGATE ACCESS TO GA PLENARY e-SPONSORSHIP ONLINE APPLICATION

As of 1 January 2017, the submission and co-sponsorship of draft proposals in the plenary of the General Assembly take place via **GA Plenary e-Sponsorship**, in the e-deleGATE electronic portal (<https://delegate.un.int/dgacm/delegate.nsf/xaOpenPortal.xsp>).

Access to GA Plenary e-Sponsorship will be given to Member State representatives properly accredited to the General Assembly through the credentials list of the concerned Member State.

To register for access to this password protected online application of the General Assembly plenary, delegates are requested to complete the attached registration form and return it to the General Assembly Affairs Branch (stein-holmes@un.org). Based on the information received (name and email address), delegates will be issued a username and password to use the online application.

Please note that only properly accredited delegates whose names have been submitted in the attached form are eligible for access to GA Plenary e-Sponsorship. This access will be available until 12 September 2017, the final day of the 71st session of the General Assembly.

Upon completion of the registration process, delegates will receive a system-generated notification with the internet address to access the online applications. It is the responsibility of delegates to save and ensure the security of their access codes.

Kindly note that those accredited delegates already registered for e-Sponsorship with the First and Third Committees will be able to use their existing username and password to access GA Plenary e-Sponsorship. Their names should still, however, be included in the registration form so that access to the GA Plenary e-Sponsorship can be granted.

For further information, please contact Ms. Rachel Stein-Holmes at 212 963 3872 or email stein-holmes@un.org.
