

Group of 77 and China Remarks following the adoption of draft resolution A/C.5/68/L. __.
(New York 28 March, 2014)

Mr. Chairman,

I have the honour to speak on behalf of the Group of 77 and China following the adoption of draft resolution A/C.5/68/L. __.

Pursuant to operative paragraph __ of the draft resolution just adopted by consensus, it is the expectation of the Member States of the Group of 77 and China that the Office of the CMP will proceed as quickly as possible to provide the Group with office space in the Secretariat building with at least the same square footage it had before the initiation of the Capital Master Plan and with due regard to its functional needs.

The Group of 77 and China will be following up on this matter closely with the Office of the Secretary-General and the CMP in the context of the twelfth progress report on the CMP with a view to ensuring a smooth relocation in line with the Group's expectations.

I thank you.
