

List of United Nations entities participating in the reporting of sexual exploitation and abuse allegations to the Secretary-General of the United Nations

As at 14 November 2019, the following entities of the United Nations system Chief Executive Board for Coordination (CEB) and agencies, funds and programmes have joined the UN system-wide effort to centralize the reporting of sexual exploitation and abuse allegations.

Although they have joined the centralized reporting mechanism, this does not mean that they have had allegations. This implies that if such allegations were made, they would be reported using this mechanism and would also be readily available to the public on the system-wide reporting website.
