

I DECLARE:

- I am actively working to end hunger, eliminate all forms of malnutrition, and build inclusive and sustainable food systems;
- I support all elements of the Zero Hunger Challenge, and its Vision, Mission and Principles, particularly to enable all people to realize their right to adequate nutritious food;
- I will be an advocate for actions and policies that will achieve Zero Hunger and contribute to the Sustainable Development Goals;
- I will encourage others to join in my activities and to take the Challenge;
- I commit to partnering for nourishing our people, nurturing our planet, growing prosperity and harvesting peace;
- I will hold myself accountable to deliver on my promise.
