Key Functions in relations to National Reporting:

After the CSD in Johannesburg in South Africa, we are in the process of preparation Sri Lanka National Sustainable Development Strategy (NSDS) with financial assistance from UNEP. This strategy will be finalized by the end of June 2007 and we wish to set in motion a serious of activities to implement Sri Lanka NSDS. The present institutional setup in the country will be strengthened to facilitate the implementation of Sri Lanka NSDS. the present institutional setup in the country will be strengthened to facilitate the implementation of Sri Lanka NSDS
