

Ms Kobie Brand is the Regional Director of ICLEI-Local Governments for Sustainability at the Africa Secretariat. As a global organization, ICLEI is represented in all regions of the world by a team of experienced senior managers.

Ms. Brand is responsible for the strategic direction, positioning, partnerships, programmes and scope of work of the ICLEI Africa Secretariat. Reporting to the Secretary General of ICLEI and the ICLEI Africa Board of Directors, her task is to build and maintain a strong and viable ICLEI Africa Office with a broad membership base of local and regional authorities and their national associations across the African continent.

Ms. Brand has over 17 years of practical and managerial experience in Integrated Environmental Management – specifically policy, strategy and programme development and management – at local, national and international level. Her experience is broad-based and includes Coastal Zone Management, Capacity Building and Informatics, Sustainable Livelihoods and Poverty Alleviation in South Africa and East and West Africa.
