

**Section 3 of the Draft Outcome Document of
the Review Conference on Financing for Development.
Suggested additions.**

28. Broader and effective participation of countries in the international trade regime is a key objective of the Monterrey Consensus. We will endeavour to facilitate the accession of developing countries and countries with economies in transition that apply for membership in WTO **and to remove all the impediments beyond the WTO commitments for the countries acceding to the WTO.**

30. We welcome the outcome of UNCTAD XII held in Accra, Ghana 20 – 25 April 2008. UNCTAD has an important role to play as an institution with universal membership and mandate to serve as the focal point of the United Nations **and as the consensus building platform** for the integrated treatment of trade and development and the interrelated issues of finance, investment, technology and sustainable development.
