

The Ethiopian Government and international NGO WaterAid invite you to attend:

Financing Sustainable Development: bringing new urgency to ending water and sanitation poverty, catalysing economic development and protecting the environment

Tuesday 14 July 2015, 6.15-7.45pm

The Gada Hall, Elilly Hotel, Guinea Conakry St, Addis Ababa

Light refreshments served from 5.45pm

Speakers will include:

- President Ellen Johnson Sirleaf, Liberian Government (Chair)
- H.E. Alemayehu Tegenu, Ethiopian Government
- Mr Tony Pipa, Special Coordinator for the Post-2015 Process, US Government
- Mr Teferi Abebe Kidane, Country Representative, WaterAid Ethiopia
- Mr Guido-Schmidt-Traub, Executive Director, UN Sustainable Development Solutions Network
- Ambassador Mr Atsuyuki Oike, Director-General for Global Issues, Ministry of Foreign Affairs of Japan
- Ms Selome Taddesse, Founder and Director, Emerge Consulting P.L.C., Addis Ababa, Ethiopia (Moderator)

The panel discussion will focus on:

- How investments in water, sanitation and hygiene can contribute to ending extreme poverty and achieving broader development outcomes in health, education, gender equality and the environment.
- How these investments can act as a catalyst for broader economic development creating multiplier effects when integrated effectively with other sectors.

Each panel member is invited to identify the key steps needed to secure renewed urgency and purpose from the international community in finding financing solutions.

There will be an opportunity for questions at the end of the session.
