8 March 2018

Excellency,

As announced at the first informal consultation on the draft conclusions and recommendations of the 2018 ECOSOC Forum on Financing for Development follow-up, which was held on 2 March 2018, we are pleased to share with you a roadmap that outlines the tentative schedule and milestones of this process.

We will convene the second informal consultation at 3:00 p.m. on Friday, 16 March 2018, in Conference Room 8, with a view to hearing specific and substantive comments of Member States on the desired content and structure of the zero-draft outcome document, following the technical briefings on the IATF report being held this week.

We count on your active participation and continued support.

Please accept, Excellency, the assurances of our highest consideration.
