Private Capital Flows and the Equity Markets

Scale as an opportunity

“Good Governance and Capable Institutions”

- 1. Improve Integrated Reporting by companies, investment banks, stock exchanges, asset managers, investment consultants, asset owners and proxy voting agencies:** Governments to establish a national legislative framework requiring participants in the capital market supply chain to be producing an integrated sustainability report to society – on a mandatory comply or explain basis;
- 2. Improve Integrated Corporate Governance:** Governments to ensure all national corporate governance codes promote integrated corporate governance – i.e. corporate governance that integrates sustainable development;
- 3. Promote Integrated Financial Regulation:** Governments to promote capital markets regulation that integrates sustainable development factors in the mandates of the supervision agencies of stewardship codes, listing rules and financial stability.
