Gaps

• Poor recognition of forests’ multiple benefits
• Low priority of forest and forestry in some international/regional forums
• Complicated and lengthy procedures
• LFCC, SIDS, small forest areas, trees outside forests - inadequately addressed
• High transaction costs
Needs

• Strengthening and improving access to funds
• Expand SFM beyond tropical rainforest
• Promote and enhance regional cooperation
• Mainstreaming discussion on SFM
• Coherence of outcomes from different forums
• Strengthening science and policy linkage
• Common indicators
• Enhancing capacity and capability
Opportunities

• New and additional resources
• New financing mechanisms
• Voluntary Global Forest Fund
• TEEB
• Private sector investments
• Regional trans-boundary initiatives
