The UNFF Ad Hoc Expert Group meeting to “Develop Proposals for the Development of a Voluntary Global Financial Mechanism/Portfolio Approach/Forest Financing Framework” held from 10 -14 November 2008, in Vienna, Austria, was convened per ECOSOC resolution 2007/40, to develop proposals for consideration at Eighth session of the United Nations Forum on Forests (20 April - 1 May 2009, UNHQ, New York).

Experts at the Ad Hoc Expert Group voiced their support for two key proposals: a) creation of a distinct fund dedicated or earmarked for implementation of sustainable forest management; and b) development of a facilitative mechanism to help mobilize existing and emerging funds for sustainable forest management<sup>1</sup>. To help elaborate these two concepts, experts recommended that Members States and major groups be requested to provide written contributions on their views regarding these two proposals.

<sup>1</sup> Para 64-73 of Chair’s summary report of ad hoc expert group to Develop Proposals for the Development of a Voluntary Global Financial Mechanism/Portfolio Approach/Forest Financing Framework

<sup>2</sup> It was generally accepted at the AHEG that the portfolio approach (described as the large variety of financing needs for sustainable forest management being met from a variety of sources) already existed, provided many benefits, and should continue in the future. (Para 60 of the Chair’s summary report)

3. How would your preferred option be linked to with other forest funding sources and mechanisms e.g. the Collaborative Partnership on Forests (CPF)? **CPF members will contribute in UNFF Secretariat and NLBI funding**
4. What challenges would be resolved with the creation of either of the preferred option? **Developing and transition economy countries will be able to implement NLBI and their governance will improve**
5. What other existing and emerging sources of financing and mechanisms could be utilized to implement sustainable forest management, the four Global Objectives on Forests and the Non-Legally Binding Instrument on All Types of Forests (NLBI)? **REDD and FIP from UNFCCC, GEF and increased ODA (0,7% of GDP as was agreed in Rio and confirmed in Johannesburg).**
6. Any other views and suggestions? **UNFF shall actively participate in current UNFCCC negotiations on REDD and advocate for SFM implementation including forest conservation and rights of Indigenous and other forest dependent peoples.**
