International Forests Short Film Festival

THE WINNING SHORT FILM | MA FORÊT

ABOUT THE FILM MAKER

Sébastien Pins was born on May 30, 1990 in Namur, Belgium.

Fascinated by the delicacy and mysteries of nature, he was attracted early to photography, capturing the connections between man and nature and receiving many prizes throughout Europe. At eight years, he wrote and directed his first theatre scene, at 15, discovering pyrotechnics and becoming a professional pyrotechnician at 20.

With audio-visual training at the SAE Institute in Brussels, he made his first documentary, awarded in the Festival Nature Namur (BE) in 2010. At the Institut des Arts de Diffusion in Louvain-la-Neuve (BE) he made another on the symbiosis between men and bees, awarded in the Festival Nature Namur in 2011 and others, and broadcast on television (RTBF, RTC).

Realizing the need for fiction films on nature, he produced "My Forest", a short film on men and trees. Filmography: « La charte de la terre » (2010), « Symbiose » (2011), « Ma forêt » (2012)
