DRAFT DECISION*

The Board recommends that WFP:

- engage in the Poverty-Reduction Strategy process in partnership with FAO, IFAD and other development partners to ensure due attention to food insecurity and hunger in the short, medium and long term;
- support governments in hunger-reduction programmes through capacity-building;
- support harmonization and alignment through the Poverty-Reduction Strategy process by engaging in joint programming and with United Nations country teams;
- prepare detailed guidance on engagement in Poverty-Reduction Strategy processes; and
- consider how best to build staff capacity and support country offices, in line with its mandate and Strategic Objectives, and taking account of competing resource needs and operational priorities.

* This is a draft decision. For the final decision adopted by the Board, please refer to the Decisions and Recommendations (document WFP/EB.A/2006/16) issued at the end of the session.
