

**Draft Document for the
Establishment of a Network of
Social Funds –
A Partnership for South – South
Solidarity <<P 3 S>>**

Background

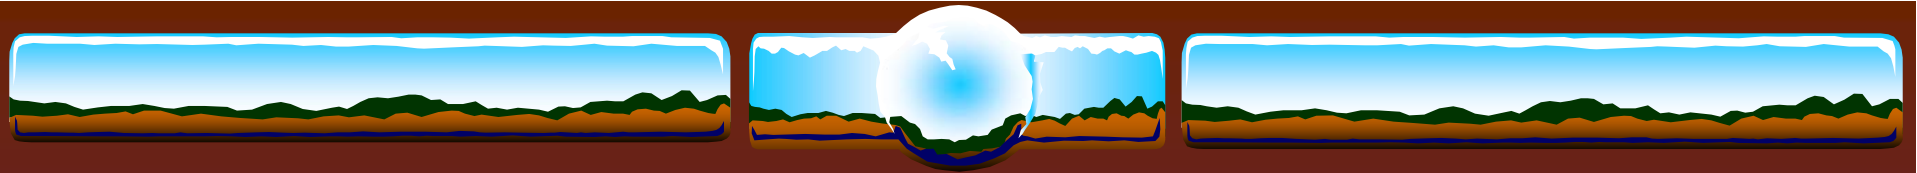

- ❖ The fight against poverty: major concern for the International Community
- ❖ The creation of the World Solidarity Fund: a godsend for developing countries
- ❖ Initiatives in the field of south – south solidarity

Presentation

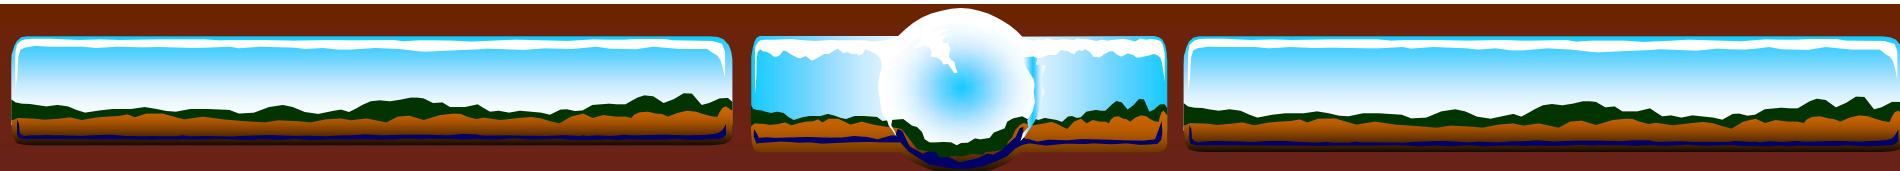

Creation of a network of partner countries for south – south solidarity

Establishing an inter–governmental alliance, made up of developing countries.

Missions:

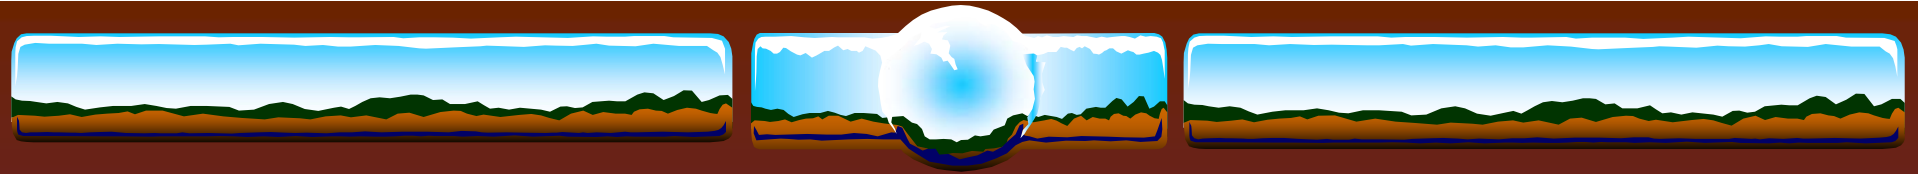

- ❖ The mission of partners involves :
 - Developing and improving the south – south collaboration in the field of solidarity and poverty alleviation.
 - Building member countries institutional capacities in order to carry out south – south exchange activities.
 - Identifying the best opportunities offered by NEPAD...
 - Initiating long – term collaboration agreements.
 - Launching resource mobilisation programmes.
 - Establishing a secretariat which would serve as a focal point for the networking between the partner countries and which would make it possible to identify the exchange possibilities and the resources for south – south financial assistance.
 - Partnership is an alliance in the form of a network with an approach based on a strong synergy of programme implementation ;
 - Developing concerted intervention strategies to address emergency situations in member countries.

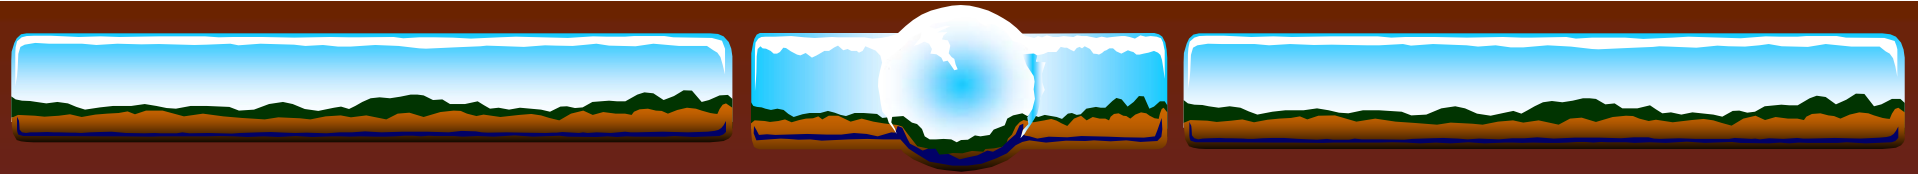

Organs of the Network

The Governing Board

- ❖ Ministers, Senior Directors and Officials from member countries,
- ❖ The mission of the Board members of the Network includes :
 - Advocating to get greater support from donors for south – south cooperation relations ;
 - Supporting resource mobilisation efforts
 - Encourage a greater representation and inclusion of south – south concerns and objectives in while developing cooperation agreements ;
 - Providing a political and financial support to the Network secretariat

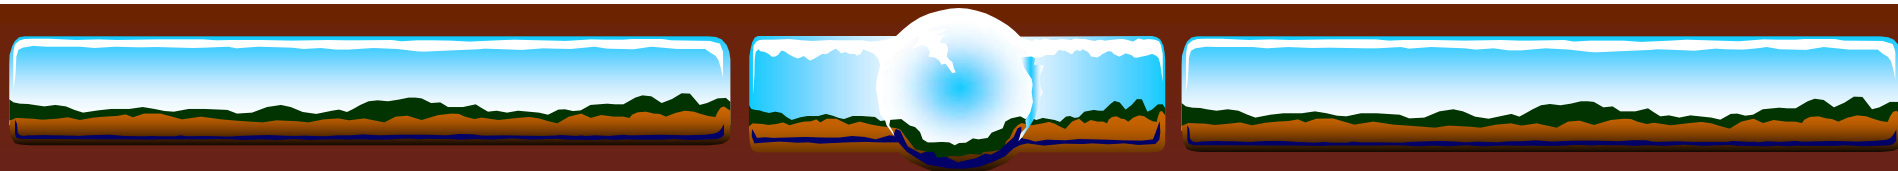

- ❖ **The International advisory Comittee**
- ❖ **The Coordinator of the Country Partner**
- ❖ **The Secretariat**

The major priorities

- ❖ To address the issues related to national and international solidarity ;
- ❖ To integrate programmes aimed at reducing exclusion on the basis of solidarity actions ;
- ❖ To reduce poverty and improve the quality of life.
