

Denny Stone

Mr. Stone is the Economic Development Manager for the City of Chula Vista, California. With 220,000 current residents, Chula Vista is the 14th largest city in California and one of the nation's ten fastest growing communities. In addition to his business attraction and job creation responsibilities, Mr. Stone is managing the development of the City's University Park and Research Center - a 1200-acre collaborative of private and public universities, colleges and research organizations from the United States and Mexico. Mr. Stone has over 25 years of experience in large-scale business and organizational development, program management and marketing.
