

CSD-14 Partnerships Fair Speaker Bio

Sarah Adams

Sarah Adams is Programme Coordinator at GVEP. Prior to joining the Global Village Energy Partnership, Sarah Adams worked for ten years with Electricite de France and was the Partnership Manager for the EDF Access Programme in Paris. The Access Programme works in Asia, Latin America and Africa in both rural and slum energy projects and has provided access to energy to over 500,000 people since its creation in 2001. Sarah also initiated and has led for the past two years, on behalf of EDF, the Monitoring and Evaluation in Energy for Development International Working group which is composed of a wide number of partners from international agencies, NGOs and private sector.
