

Arrangements for the negotiations

(as announced at the morning session in Room 4 on 2 May 2007)

This afternoon, the revised Chairman's negotiating document will be distributed in Room 2 at 2:00 pm. Delegations will be studying the document and there will be no plenary session.

The revised Chairman's negotiating document will also be sent electronically to the coordinators of political groupings. It is expected that these co-ordinators will forward the electronic version to their colleagues.

Negotiations will start tomorrow and will be organized in two ad hoc working groups. Working Group 1 will deal with energy for sustainable development and air pollution/atmosphere. It will be co-chaired by Vice-Chair Frances Lisson and Vice-Chair Alain Traore. Working group 1 will start tomorrow at 10:00 am in Room 2.

Working Group 2 will deal with industrial development, climate change, inter-linkages and cross-cutting issues. It will be co-chaired by Vice-Chair Luiz Figueiredo Machado and Jiri Hlavacek. Working group 2 will start tomorrow at 10:00 am in Room 4.
