Conference Room B

Tuesday, 8 May 2007

3:00 – 6:00 p.m.

Regulation for Renewable Energy and Energy Efficiency

Sponsors: Renewable Energy and Energy Efficiency Partnership (REEP)/ Coordinator of the Sustainable Energy Regulation Network (SERN); UNIDO

Course Instructors:

- Binu Parthan, Deputy Director/Programme Coordinator, REEP;
- Xavier Lemaire, SERN.

Synopsis:

The course will outline issues affecting the implementation of sustainable energy technologies and provide an indication of more detailed studies elsewhere and highlight useful examples of ‘good practice’ and explain why they are effective.

The course consists of a series of presentations on the topics below, followed by interactive discussion:

- Introduction to energy regulation
- Distributed generation and networks
- Support mechanisms for sustainable energy
- Energy efficiency and demand side management
