

National sustainable development strategies: The global picture

The map tracks progress towards the WSSD (2002) target for countries to formulate and begin implementation of national sustainable development strategies by 2005. The map is updated on an ongoing basis. We encourage Governments to submit new information or advise us of corrections through dspd@un.org

The designations employed and the presentation of material on this map do not imply the expression of any opinion whatsoever on the part of the Secretariat of the United Nations concerning the legal status of any country, territory, city or any area or of its authorities, or concerning the delimitation of its frontiers or boundaries.

* Dotted line represents approximately the Line of Control in Jammu and Kashmir agreed upon by India and Pakistan. The final status has not yet been agreed upon by the parties.

Cross-hatch with the colours used for Jammu & Kashmir (neutral colour) and China.
