Delegations are advised that in addition to the primary SCC passes, each delegation of Member States will be issued up to twenty access cards to the Sandton Convention Centre. It is important to note that this card will give access to the SCC, but the movements inside the Center will be further regulated by the following:

All the delegations of Member States will be issued four cards in accordance with the number of seats at the delegation tables in the plenary hall. In addition, each delegation of Member States will be issued two access cards for the designated overflow area in the back of the plenary hall.

As regards observer delegations of Inter-governmental Organizations, United Nations Specialized Agencies, and Associate Members of the United Nations Regional Economic Commissions, they will be issued up to ten access cards to the Sandton Convention Centre plus two additional cards to the plenary hall in accordance with the number of seats allocated to them at the delegation tables.

All the abovementioned cards can be picked up by authorized representatives of delegations at the accreditation center as of 29 August 2002.

#### *Plenary meeting*

During the Plenary meetings all HS/HG/VP/CP will be escorted from their delegation seats approximately five minutes before their statements to the podium and escorted back to their seats after their statements.
