UN Building, New York,  
Conference Room 2  
TIME: 15:00 to 18:00

A Global Leaders Forum against HIV and TB will be held on 9 June 2008.

The Forum is endorsed by the Secretary-General of the United Nations and co-sponsored by WHO, UNAIDS, the Stop TB Partnership, the Global Fund, the World Bank, and the European Commission. The Forum will emphasize bold leadership in the global fight against HIV and TB. The organizers plan to draw attention to the urgent need for collaboration to reduce the number of people living with HIV and dying of TB.

The Forum will convene world leaders, senior political officials, together with leaders of civil society, foundations, the private sector and the media.

The expected outcome is a call for action to inform the debate during the General Assembly High-Level meeting on AIDS (10-11 June 2008).
