

UN General Assembly on Global Private investments and Climate Change

GLG Partners LP, a leading alternative investment manager

GLG, one of the largest alternative asset managers in the world, offers its base of longstanding prestigious clients a diverse range of investment products and account management services. GLG's focus is on preserving client's capital and achieving consistent, superior absolute returns with low volatility and low correlations to both the equity and fixed income markets. Since its inception in 1995, GLG has built on the roots of its founders in the private wealth management industry to develop into one of the world's largest and most recognized alternative investment managers, while maintaining its tradition of client-focused product development and customer service. As of March 31, 2008, GLG managed net AUM of over \$24.0 billion.
