**Mindy S. Lubber, JD, MBA**  
President, Ceres  
Director, Investor Network on Climate Risk

---

Mindy S. Lubber is the President of Ceres, the leading U.S. coalition of investors and environmental leaders working to improve corporate environmental, social and governance practices. She also directs the Investor Network on Climate Risk (INCR), an alliance that coordinates U.S. investor responses to the financial risks and opportunities posed by climate change.

Ms. Lubber is the recipient of the Skoll Social Entrepreneur Award and under her leadership Ceres was awarded the Fast Company Social Capitalist Award for both 2006 and 2007. Before coming to Ceres, Ms. Lubber was the Regional Administrator of the U.S. Environmental Protection Agency and CEO of Green Century Capital Management, an investment firm managing environmentally screened mutual funds. She was recently voted one of “The 100 Most Influential People in Corporate Governance” by Directorship Magazine, who noted Ceres’ increasing influence in its field.
