Excellency,

I have the honour to transmit to you the consensus text on the draft resolution entitled “Organisation of the 2008 comprehensive review of the progress achieved in realising the Declaration of Commitment on HIV/AIDS and the Political Declaration on HIV/AIDS.”

I would like to thank Ambassador Tiina Intelmann and Ambassador Samuel Outlule for very ably facilitating negotiations on this draft resolution.

The draft resolution will be issued early next week under the symbol A/62/L.40, and acted upon in the General Assembly afterwards.

I would like to thank delegations for their constructive engagement on this matter.

Please accept, Excellency, the assurances of my highest consideration.
