

THE PRESIDENT  
OF THE  
GENERAL ASSEMBLY

21 May 2009

Excellency,

I have the honor to provide herewith a preliminary draft of the full Report of the Commission of Experts of the President of the U.N. General Assembly on Reforms of the International Monetary and Financial System.

Although the document remains a work in progress, it contains the full background and explanations of the recommendations that were prepared for the March 25-27 interactive thematic dialogue. It also includes some additional recommendations, as well as amendments to earlier formulations of key issues and proposals.

I am confident that the draft report will serve as a valuable input to Member States as they prepare for the Conference. Likewise, I have instructed that the text be made available to Observers, as well as key stakeholders and civil society and the business community. Comments on the report should be sent to Mr. Eduardo Mangas, Deputy Chef de Cabinet, via e-mail at [mangas@un.org](mailto:mangas@un.org)

The Report will also be made available on the website for the Conference on the World Financial and Economic Crisis and Its Impact on Development:  
<http://www.un.org/ga/econcrisissummit/>

Please accept, Excellency, the assurances of my highest consideration.
