

World Summit on Sustainable Development

Johannesburg, South Africa
26 August–4 September 2002

Distr.: Limited
25 August 2002

English only

Agenda item 8
Partnership events

WORLD SUMMIT ON SUSTAINABLE DEVELOPMENT

**List of partnership/initiatives on cross-sectoral areas
received and posted to the website (www.johannesburgsummit.org)
by the WSSD Secretariat by 22 August 2002**

WORLD SUMMIT ON SUSTAINABLE DEVELOPMENT

**List of partnership/initiatives on cross-sectoral areas
received and posted to the website (www.johannesburgsummit.org)
by the WSSD Secretariat by 22 August 2002**

Information for decision-making/science and education

- Abu-Dhabi Global Environmental Data Initiative (AGEDI)
Leading Partner: Environmental Research and Wildlife Development Agency, Abu-Dhabi
Cluster: information for decision-making
Links: science and education
- Asia-Pacific Environmental Innovation Strategy Project (APEIS)
Leading partner: Ministry of the Environment, Japan
Cluster: information for decision-making
Links: early warning/disaster preparedness, science and education, capacity-building
- APFED Partnership Initiatives for Knowledge Network and Capacity-Building
Leading Partner: APFED Secretariat, Institute for Global Environmental Strategies, Japan
Cluster: capacity-building
Links: science and education, health, freshwater, energy, trade.
- Asia-Pacific Earth Observation Pilot Project
Leading Partner: National Space Development Agency of Japan
Cluster: science and education
Links: information for decision-making
- Asia-Pacific Initiative: Leadership for Environment and Development (LEAD) Japan Program
Leading Partner: LEAD Japan Program, Kanawaga, Japan
Cluster: science and education
Links: capacity-building
- BE THE CHANGE! – youth-led action for sustainable development
Leading Partner: Peace Child International, United Kingdom
Cluster: partnerships in other areas
Links: science and education, capacity-building, poverty eradication
- Capacity-Building on the applications of ICT for the establishment of Environmental Information Systems for Sustainable Development in Africa – SISEI
Leading Partner: UNITAR/OSS, Switzerland/Tunisia
Cluster: information for decision-making
Links: capacity-building, technology transfer

-
- Capacity development for science and mathematics
Leading partner: JICA, Japan
Cluster: capacity-building
Links: education and science
 - Education for Our Common Future
Leading Partner: Stakeholder Forum/Felix Dodds, London
Cluster: science and education
Links: information for decision-making
 - The Encyclopedia of Life Support Systems (EOLSS)
Leading Partner: UNESCO-EOLSS Joint Committee
Cluster: Science and Education
Links: Capacity-building, information for decision-making
 - Global Higher Education for Sustainability partnership (GHESP)
Leading partner: International Association of Universities, Paris
Cluster: science and Education
 - Global Information System and Land Surface Analysis, Monitoring, and Mapping for Sustainable Development
Leading partner: Ministry of Foreign Affairs, Italy
Cluster: information for decision-making
Link: science and education
 - Global Mapping
Leading Partner: International Steering Committee for Global Mapping, Japan
Cluster: information for decision-making
Links: transfer of technology
 - Global Ocean Data Assimilation Experiment (GODAE)
Leading Partner: Bureau of Meteorology research Centre, Melbourne, Australia
Cluster: information for decision-making
Links: oceans/coasts/fisheries, science and education
 - Integrated Framework of Tools for Implementing Sustainable Development in Small Islands (SUSTIS)
Leading partner: Malta Environment and Planning Authority
Cluster: Science and Education
Links: information for decision-making
 - Integrated Global Observing Strategy (IGOS) Partnership
Leading Partners: ESA, UNESCO, Paris
Cluster: information for decision-making
Links: science and education

-
- International Marketing Communications Initiative for Sustainable Development
Leading Partner: J. Walter Thompson Company, Canada
Cluster: Science and education
Links: Information for decision-making, changing unsustainable patterns of production and consumption
 - International University for Sustainable Development (UMDD)
Leading Partners: French Government, University of Lyon
Cluster: Science and Education
Links: information for decision-making
 - International Youth Dialogue on Sustainable Development
Leading partner: Global Youth Network, Durban/South Africa
Cluster: Partnerships in other areas
Links: science and education, capacity-building
 - Linked University Consortia for Environment and Development – Industry and Urban Areas (LUCED-I&UA)
Leading Partner: Technical University of Denmark, Kgs. Lyngby, Denmark
Cluster: Science and Education
Links: Transfer of technology, capacity-building
 - Mediterranean Education Initiative for Environment and Sustainability (MEDIES)
Leading Partners: Government of Greece, MIO-ECSDE/UNESCO
Cluster: education and science
Links: changing unsustainable patterns of production and consumption, freshwater
 - Multinational Andean Project: Geoscience for Andean Communities (MAP:GAC)
Leading Partner: Geological Survey of Canada/CIDA
Cluster: Information for Decision-making
Links: Science and education
 - My Community, Our Earth (MyCOE) – Geographic Learning for Sustainable Development
Leading Partner: Association of American Geographers, Washington
Cluster: Science and education
Links: Protecting and managing the natural resource base of sustainable development
 - Pacific Umbrella Initiative: Capacity-Building through Education and training for the Sustainable Use and Management of natural resources and the Environment in the Pacific (2002 – 2012)
Leading partner: tbd
Cluster: capacity-building
Links: Protecting and managing the natural resource base of sustainable development

-
- Partnership for access to information, public participation in decision-making and access to justice in environmental matters in Asia and the Pacific
Leading partner: ESCAP, Bangkok
Cluster: information for decision-making,
Links: capacity-building
 - The Partnership for Principle 10
Leading Partner: World Resources Institute, Washington
Cluster: information for decision-making
Links: capacity-building
 - Quality Schools: school network on sustainable development systems
Leading Partner: COREN asbl, Brussels
Cluster: education and science
Links: changing consumption and production pattern, protecting and managing the natural resource base of sustainable development
 - Science and technology, application of isotope techniques for sustainable water resources and coastal zone management (SWARCOZM)
Leading Partner: International Atomic Energy Agency, Vienna, Austria
Cluster: Science and Education
Links: oceans/coasts/fisheries
 - Scientific Capacity-Building for Sustainable Development in Developing Countries
Leading partner: Ministry of the Environment, Japan
Cluster: Science and Education
Links: capacity-building
 - South East Asia Capacity Development Initiative for Youth Involvement in Eco-Villages
Leading partner: YSDA-Philippines Inc., Philippines
Cluster: capacity-building
Links: poverty eradication
 - Southern Business Challenge
Leading partner: Centre for Social Markets, London
Cluster: Information for decision-making
Links: Poverty eradication, capacity-building
 - Strengthening Science-Based Decision-Making
Leading Partner: National Academy of Sciences, USA
Cluster: Science and Education
 - Visegrad Group Countries' Summer School of Development Aid and Cooperation
Leading Partner: University of F. Palacky, Olomouc, Czech Republic
Cluster: science and education
Links: capacity-building, poverty eradication

-
- Worldwide French Sustainable Development Information System
Leading Partner: Association AGORA 21 , France
Cluster: Information for decision-making

Finance/Trade/Technology Transfer

- The Andean BIOTRADE Programme of CAN, CAF and UNCTAD
Leading Partner: UNCTAD, Geneva
Cluster: trade
Links: Biodiversity
- BioTrade Facilitation Programme for Biodiversity Products and Services (BTFP)
Leading Partner: UNCTAD, Geneva
Cluster: Trade
Links: poverty eradication, agriculture
- Capacity-Building Task Force on Trade, Environment and Development, Phase II (CBTF II)
Leading Partner: UNEP-UNCTAD Capacity Building Task Force, Geneva
Cluster: trade
Links: capacity-building
- The Development of Fair Trade
Leading partner: French Government
Cluster: trade
- Global Technology Transfer and Knowledge Management Partnership
Leading Partner: UNEP/GEF Technology Transfer Network, Paris
Cluster: Transfer of technology
Links: Finance, capacity-building, trade
- Implementation of Public- Private Partnerships for Environmental Investments
Leading partner: PEMSEA Regional Programme office, Philippines
Cluster: finance
Links: capacity-building, oceans/coasts/fisheries
- Niger Delta Fund Initiative
Leading Partner: Earth Rights Institute, Nigeria/USA
Cluster: finance
Link: capacity-building, poverty eradication
- Pacific Umbrella Initiative: Pacific Islands Information and Communication technology for Development: 2002 – 2012 (Pacific I4D Initiative)
Leading partner: Pacific Islands Forum Secretariat, Suva, Fiji
Cluster: technology transfer
Links: science and education

-
- Partnership on the Program for Developing Mechanisms to Reward the Upland Poor in Asia for Environmental Services they Provide (RUPES)
Leading partner: International Center for Research in Agroforestry, Southeast Asia Regional Programme (ICRAF-SEA), Bogor, Indonesia
 Cluster: Poverty Eradication
 Links: Protecting and managing the natural resource base of economic and social development
 - Promotion of WTO-related Technical Assistance and Capacity-Building
Leading partner: Ministry of Foreign Affairs, Japan
 Cluster: Trade
 Links: capacity-building
 - Southern African Natural Products Trade Association (SANProTA)
 Leading Partner: SANProTA Executive Office, Harare, Zimbabwe
 Cluster: Sustainable development initiatives for Africa
 Links: poverty eradication, agriculture/food security/rural development, trade
 - Sustainable Trade and Innovation Centre Initiative
 Leading partner: Commonwealth Science Council, London
 Cluster: sustainable development in a globalising world
 Links: poverty eradication, trade, technology transfer, information for decision-making
 - Transfer of know-how held by Japanese local governments in the field of addressing environmental problems
Leading Partner: Ministry of Foreign Affairs, Japan
 Cluster: capacity-building
 - UNIDO Initiative on Technology Transfer: Assessing Needs – Promoting Action
Leading Partner: UNIDO
 Cluster: Transfer of technology
 Links: capacity-building
 - WTO Capacity-Building Initiative
Leading partner: Ministry of Economy, Trade and Industry, Japan
 Cluster: Trade
 Links: capacity-building

Sustainable Production and Consumption Patterns

- Bicycle Refurbishing Initiative
Leading partner: Velo Mondial/Afrbike Nederland, Amsterdam
 Cluster: changing unsustainable patterns of production and consumption
 Links: poverty eradication, trade, climate change/air pollution

-
- Capacity building for Sustainable Consumption and Production Patterns
Leading Partner: UNEP DTIE, Paris
Cluster: changing unsustainable patterns of production and consumption
Links: capacity-building, information for decision-making
 - Global Master Plan for Cycling
Leading Partner: Velo Mondial, Amsterdam
Cluster: changing unsustainable patterns of production and consumption
Links: energy, climate change/air pollution, health and sustainable development
 - Introduction of Social Standards in Production
Leading partner: Federal Ministry of Economic Cooperation and Development (BMZ), Bonn, Germany
Cluster: changing unsustainable patterns of production and consumption
Links: poverty eradication
 - Local Procurement for Development and Sustainable Global Markets
Leading Partner: ICLEI European Secretariat, Germany
Cluster: changing unsustainable patterns of production and consumption
Links: capacity-building, energy, sustainable development in a globalizing world
 - Regional Partnership for Poverty Alleviation and Environmental Protection through Green Productivity – Integrated Community Development and Clean Development Mechanism
Leading Partner: APO Secretariat, Japan, Government of Japan, National Productivity organizations
Cluster: changing unsustainable patterns of production and consumption
Links: agriculture, capacity-building, climate change
 - Selling of responsible products via big retail chains in Europe: best practices and dialogue between stakeholders
Leading Partner: Réseau de Consommateurs Responsable, Brussels
Cluster: changing unsustainable patterns of production and consumption
Links: trade
 - Youth Dialogue on Consumption, Lifestyles and Sustainability
Leading Partner: VZBV Federation of German Consumer Organisations, Berlin
Cluster: changing unsustainable patterns of production and consumption
Links: science and education, capacity-building

Urbanisation/local authorities

- Asian Partnership Programme towards Shared Prosperity (ASPRO)
Leading partner: City of Kitakyushu, Japan
Cluster: partnerships in other areas
Links: poverty eradication, capacity-building

-
- Caring Cities Volunteer Capital for Urban Development
Leading Partner: United Nations Volunteers (UNV) Programme
Cluster: capacity-building
Links: Information for decision-making
 - Ecological Activate of Local Communities
Leading partner: Eco Idea, Wroclaw, Poland
Cluster: changing unsustainable patterns of production and consumption
Links: education
 - Environmental Management Capacity-building for Local Government
Leading Partner: ICLEI International Training Centre, Germany
Cluster: Capacity-building
Links: Information for decision-making, Protecting and managing the natural resource base of economic and social development
 - Local Capacity-Building and Training on Sustainable Urbanization: a Public-Private Partnership
Leading Partner: UNITAR/HABITAT
Cluster: capacity-building
 - Local Government and Business Alliance for Sustainability
Leading partner: Environs Australia, Melbourne
Cluster: Trade
Links: changing unsustainable patterns of production and consumption, technology transfer
 - Local Integrated Resource Management for a better management of cities and towns
Leading Partner: ICLEI, European Secretariat, Germany
Cluster: Information for decision-making
Links: Protecting and managing the natural resource base of economic and social development, capacity-building
 - ‘Mayors’ Commitments Program’ of the Asia-Pacific Urban Institute
Leading partner: City and County of Honolulu, USA
Cluster: capacity-building
Links: poverty eradication
 - Coalition for Sustainable Urbanisation
Leading Partner: HABITAT/UNITAR
Cluster: poverty eradication
Links: capacity-building, freshwater, health and sustainable development
 - Regional Sustainable Cities and Towns Campaigns promoting local Agenda 21
Leading partner: European Commission, Directorate General Environment
Cluster: science and education
Links: information for decision-making, capacity-building

-
- Resilient Communities
Leading partner: International Council for Local Environmental Initiatives (ICLEI), Canada
Cluster: Early warning/disaster preparedness
Links: climate change, poverty eradication, capacity-building

Other areas

- Africalia
Leading partner: Africalia, Brussels
Cluster: sustainable development initiatives for Africa
Links: education, trade
- Arab Civil Union for Waste Management
Leading Partner: Children & Mothers Welfare Society, Bahrain
Cluster: Partnerships in other areas
Links: changing unsustainable patterns of production and consumption
- Award Scheme “Examples of Excellence”
Leading Partner: Stakeholder Forum for Our Common Future, London
Cluster: Partnerships in other areas
- Building the capacity of Caribbean NGOs and CBOs to respond effectively to critical Sustainable Development Needs
Leading Partner: UNV Regional Programme, Trinidad
Cluster: capacity-building,
Links: information for decision-making
- Capacity 2015: Building capacity to benefit from globalization and realize the Millennium Development Goals while achieving sustainable development
Leading Partner: UNDP
Cluster: capacity-building
- Central Asian Initiative on preparation and implementation “Sub-regional Agenda 21” as a model for subregions
Leading partner: Central Asian Interstate Commission on Sustainable Development (ICSD CA), Regional Environmental Center for Central Asia (CAREC), Kazakhstan
Cluster: partnerships in other areas
Links: poverty eradication, protecting and managing the natural resource base of economic and social development
- Certification for Sustainable Tourism
Leading partner: Costa Rican Tourist Board, San Jose, Costa Rica
Cluster: partnerships in other areas
Links: changing unsustainable patterns of production and consumption, protecting and managing the natural resource base of economic and social development

-
- Development of Asian Mineral Database
Leading partner: Ministry of Energy and Mineral Resources, Indonesia
Cluster: Mining and Minerals
 - ECOLEX-a global partnership for information on environmental law (highlight: looking for funding)
Leading partner: IUCN Environmental Law Programme, Bonn, Germany
Cluster: partnerships in other areas
Links: capacity-building, information for decision-making
 - Environmental Law Capacity-Building Programme for Sustainable Development
Leading Partner: IUCN Environmental Law Programme, Bonn, Germany
Cluster: partnerships in other areas
Links: capacity-building
 - Global Alliance for Building Sustainability
Leading Partner: RICS Foundation, London
Cluster: capacity-building
Links: Information for decision-making, poverty eradication, changing unsustainable patterns of production and consumption, protecting and managing the natural resource base of economic and social development
 - Global Dialogue of Governments on Mining metals and Sustainable Development
Leading Partners: Department of Minerals and Energy, South Africa/ Natural Resources Canada
Cluster: Minerals and Mining
Links: poverty eradication, capacity-building
 - Initiative to Develop Capacities in SIDS to manage Vulnerability and Build resilience Particularly to Disasters
Leading partner: tbd
Cluster: partnerships in other areas
Links: disaster prevention and preparedness
 - Initiative for Human and Organizational Capacity Development in the Environmental Sector
Leading Partner: Japan International Cooperation Agency
Cluster: capacity-building
Links: protecting and managing the natural resource base of economic and social development
 - Integrated Approach to Prevention, Preparedness for and Response to Environmental Emergencies in Support of Sustainable Development
Leading Partner: OCHA, UNEP, Geneva, Nairobi
Cluster: Partnerships in other areas
Links: early warning/disaster preparedness, capacity-building, poverty eradication

-
- Integrating early warning and disaster risk management into the sustainable development agenda and practice
Leading partner: UN/ISDR, Geneva
Cluster: early warning/disaster preparedness
Links: partnerships in other areas
 - International Sustainable Development Legal Partnership
Leading Partner: Centre for International Sustainable Development Law, Montreal, Quebec
Cluster: Partnerships in other areas
Links: capacity-building, science and education
 - Mineral Resources and Sustainable Development in Africa
Leading partners: French Geological Survey (BRGM)/French Mineral Industry Society (SIM)
Cluster: Minerals and Mining
Links: Sustainable Development Initiatives for Africa
 - Northeastern Asia Policy Proposal Forum
Leading Partner: NPO Training and Resource Center, Japan
Cluster: partnerships in other areas
Links: capacity-building
 - Pacific Islands Governance Initiative (2002 – 2008)
Leading partner: Pacific Islands Forum Secretariat, Suva, Fiji
Cluster: partnerships in other areas
 - Pacific Umbrella Initiative: Sustainable Tourism Development for the Pacific (2003 – 2007)
Leading partner: tbd
Cluster: partnerships in other areas
Links: protecting and managing the natural resource base of economic and social development
 - Panama Center for Sustainable Development
Leading Partner: The City of Knowledge Foundation
Cluster: partnerships in other areas
Links: information for decision-making, science and education
 - Pan-European East-West Environmental Partnership for Sustainable Development
Leading partners: Ministries of Environment of Georgia and Ukraine
Cluster: partnerships in other areas

-
- Preparation of a Regional Sustainable Development Strategy in the Mediterranean
Leading partner: UNEP/MAP Athens, Greece
Cluster: partnerships in other areas
Links: protecting and managing the natural resource base of economic and social development
 - Promote Tourism towards Sustainable Development
Leading partner: Ministry of Environment, Indonesia
Cluster: partnerships in other areas
Links: changing unsustainable patterns of production and consumption,
 - SIDS CARIBBEAN Partnerships
Leading Partners: various
Cluster: partnerships in other areas
Links: oceans/coasts/fisheries, freshwater, agriculture, energy, health
 - SIDS Global Partnerships
Leading Partners: various
Cluster: partnerships in other areas
Links: energy, health, disaster preparedness, science and education
 - Strategic Alliance for Sustainable Development (A South-South Cooperation) between Benin, Bhutan and Costa Rica
Leading Partner: Sustainable Development Secretariat, Timphu, Bhutan
Cluster: Partnerships in other areas
Links: Capacity-building
 - Subregional Initiative for the Promotion and Implementation of the International Strategy for Disaster Reduction (ISDR)
Leading partner: Servicio Nacional de Estudios Territoriales (SNET), El Salvador
Cluster: early warning/disaster preparedness
Links: capacity-building, poverty eradication, partnerships in other areas
 - Sustainable Development in Mining Activities
Leading partner: Ministry of Environment, Indonesia
Cluster: Minerals and Mining
Link: protecting and managing the natural resource base of economic and social development
 - Sustainable Tourism for Sustainable development in emerging countries
Leading Partner: ARTODEV, Burkina Faso/French Government
Cluster: partnerships in other areas
 - Tourism Satellite Account System for African countries
Leading partner: Department of Environment and Tourism, South Africa
Cluster: sustainable development initiatives for Africa
Links: partnerships in other areas
