

**INFORMATION PACKAGE ON THE WORK AND MANDATE OF
THE SECURITY COUNCIL AL-QAIDA AND TALIBAN SANCTIONS COMMITTEE**

1. The Al-Qaida and Taliban Sanctions Committee is also known as the 1267 Committee. The Committee was established on 15 October 1999 with the adoption of resolution 1267, which first imposed sanctions on Taliban-controlled Afghanistan for its support of Usama Bin Laden, among other things.
2. The sanctions have since been modified and strengthened by subsequent resolutions so that under its mandate, the 1267 Committee has established and maintains a Consolidated List of individuals, groups, undertakings and entities associated with Al-Qaida, Usama bin Laden and the Taliban, against whom three sanctions measures namely, an assets freeze, a travel ban and an arms embargo, apply.
3. The 1267 Committee is one of three subsidiary bodies established by the Security Council that deal with terrorism related issues. The other two committees are the Counter-Terrorism Committee (the “CTC”) and the Committee established pursuant to resolution 1540 (2004). On the occasion of the joint briefing by the Chairmen of these three Committees to the Security Council on 6 May 2008, the three Committees issued a comparative table in order to provide clarification regarding their distinct but complementary roles. The latest version of this table can be found on the 1267 Committee’s website at: <http://www.un.org/sc/committees/1267/usefulpapers.shtml>
4. Like the CTC and the 1540 Committee, the members of the 1267 Committee are made up of the 15 current members of the Security Council. The current Chairman of the 1267 Committee until 31 December 2009 is the Permanent Representative of Austria to the United Nations, H.E. Mr. Thomas Mayr-Harting. The two Vice-Chairs for 2009 are Burkina Faso and the Russian Federation.
5. This information package contains 5 Annexes:
 - i. Annex I: Brief History of the 1267 Committee
 - ii. Annex II: Summary of key Al-Qaida/Taliban and other relevant Resolutions
 - iii. Annex III: Description of the three Sanctions Measures and Exemptions
 - iv. Annex IV: Consolidated List (including Listing and De-listing information)
 - v. Annex V: The Committee’s Website
6. This information package has been prepared for the use of international, regional and subregional organizations and agencies (IROs) for distribution to their membership and during training programmes to explain the work and mandate of the 1267 Committee. The Committee would appreciate any feedback, comments, suggestions or questions regarding the information provided herein. Please contact the 1267 Committee at: SC-1267-Committee@un.org.
7. The 1267 Committee is also supported by a Monitoring Team, composed of 8 experts on counter-terrorism, financing of terrorism, arms embargoes, travel bans and related legal issues. The Team can be contacted by email at: 1267mt@un.org.

THE 1267 COMMITTEE

- 1) **The 1267 Committee is a sanctions committee.** The 1267 Committee monitors a sanctions regime which requires all UN Member States to:
 - i) Freeze without delay, the funds and other financial assets or economic resources of the individuals and entities designated on the Consolidated List. There is no requirement to seize or confiscate/forfeit these assets, funds and resources.
 - ii) Prevent the entry into or the transit through their territories of the individuals designated on the Consolidated List. There is no requirement to arrest or prosecute these individuals.
 - iii) Prevent the direct or indirect supply, sale or transfer, from their territories or by their nationals outside their territories, or using their flag vessels or aircraft, of arms and related materiel of all types, including military equipment, spare parts and technical advice, assistance, or training related to military activities, to the individuals and entities on the Consolidated List.All three measures are preventive in nature and are not reliant on criminal standards set out under national laws.
- 2) The key Al-Qaida/Taliban resolutions have all been adopted under Chapter VII of the United Nations Charter. It is important to note that the primary responsibility for the implementation of the sanctions measures rests with the Member States. Effective implementation is mandatory. A summary of the key Al-Qaida/Taliban resolutions and other useful resolutions can be found at Annex II. Fuller details of the three sanctions measures can be found at Annex III.
- 3) As of January 2002, the sanctions no longer exclusively target territory in Afghanistan but now apply to the individuals and entities designated on the Consolidated List wherever they may be located. States may request the Committee to add names to this list. The Committee also considers submissions by States to delete names from the Consolidated List. Details on the Consolidated List including on listing and de-listing, can be found at Annex IV.
- 4) Another task of the Committee is to consider submissions from States concerning exemptions to the assets freeze under resolution 1452 (2002) and for the travel ban under paragraph 1 (b) of resolution 1822 (2008). When making all such requests, States are called upon to submit identifying information and the statement of the case describing the basis of the proposal.
- 5) Finally, the Committee regularly reports about its activities and makes recommendations to the Security Council with a view to improve the sanctions regime, including proposing additional measures.
6. More details on the 1267 Committee can be found on its homepage at: <http://www.un.org/sc/committees/1267/> and General Information Page on its website at: <http://www.un.org/sc/committees/1267/information.shtml>.

THE THREE SANCTIONS MEASURES

Assets Freeze and exemptions

1. The Al-Qaida/Taliban assets freeze measure requires all UN Member States to freeze without delay, the funds and other financial assets or economic resources of the listed individuals and entities placed on the Consolidated List by the 1267 Committee.
2. However, there is no need to seize or confiscate these assets under the Al-Qaida/Taliban sanctions regime.
3. In paragraph 4 of resolution 1822 (2008), the Security Council confirmed that the requirements in paragraph 1(a) [the assets freeze measure] apply to financial and economic resources of every kind, including but not limited to those used for the provision of Internet hosting or related services, used for the support of Al-Qaida, Usama bin Laden, and the Taliban and other individuals, groups, undertakings, or entities associated with them.
4. A Fact Sheet providing basic information on the exemptions to the assets freeze measure imposed by the Security Council on the individuals and entities on the Consolidated List can be found on the Committee's website under "Exemptions" at:
www.un.org/sc/committees/1267/fact_sheet_assets_freeze.shtml

Travel Ban and exemptions

5. The Al-Qaida/Taliban travel ban measure requires all UN Member States to "*prevent the entry into or transit through their territories*" by the listed individuals. The travel ban applies to all the individuals on the Consolidated List wherever they may be located. The responsibility to implement the travel ban lies with the States of entry and/or transit. There is no need to arrest or prosecute them under the Al-Qaida/Taliban sanctions regime.
6. There are three possible exemptions to the travel ban measure. These are:
 - i. provided that nothing in this paragraph shall oblige any State to deny entry into or require the departure from its territories of its own nationals;
 - ii. this paragraph shall not apply where entry or transit is necessary for the fulfilment of a judicial process; and
 - iii. the 1267 Committee determines on a case-by-case basis only that entry or transit is justified.
7. Under the third type of exemption ["the Committee determines on a case by case basis only that entry or transit is justified"] it is possible to apply for an exemption to the travel ban for necessary travel needs, including medical treatment abroad and the performance of religious obligations.
8. A Fact Sheet on the Travel Ban and its exemptions can be found at:
www.un.org/sc/committees/1267/fact_sheet_travel_ban.shtml.

9. To assist Member States to have a better understanding of the travel ban and their obligations under this sanctions measure, the Committee approved an 'Explanation of Terms' paper prepared by the Monitoring Team, which can be found on the Committee's website at:
http://www.un.org/sc/committees/1267/pdf/EOT_Travel_Ban_9_12_2008_ENGLISH.pdf

Arms Embargo

10. The Al-Qaida/Taliban arms embargo measure requires all UN Member States to:
- i. prevent the direct or indirect supply, sale or transfer of arms and related materiel of all types, including [but not limited to]:
 - weapons and ammunition;
 - military vehicles and equipment;
 - paramilitary equipment;
 - spare parts for the aforementioned
 - ii. and technical advice, assistance, or training related to military activities
 - iii. from their territories or by their nationals outside their territories, or using their flag vessels or aircraft
to the individuals, groups, undertakings and entities who have been designated on the Consolidated List by the 1267 Committee.
11. The Security Council did not limit the Al-Qaida/Taliban arms embargo to the geographical delimitation of the territories of Member States, but rather broadened the obligation of Member States with respect to implementation of the embargo based on their legal authority over their nationals abroad and their flag vessels and aircrafts in accordance with international law.
12. There are currently no exemptions to the Al-Qaida/Taliban arms embargo in terms of its application to the individuals and entities designated on the Consolidated List.
13. To assist Member States to have a better understanding of the arms embargo and what are their obligations under this sanctions measure, the Committee also approved an 'Explanation of Terms' paper prepared by the Monitoring team, which can be found on the Committee's website at:
www.un.org/Docs/sc/committees/1267/ArmsEmbargo.ExplanationTermsEng.pdf

THE CONSOLIDATED LIST (including Listing and De-listing information)

1. The Committee, under its mandate, has established and maintains a list of individuals and entities with respect to Al-Qaida, Usama bin Laden, and the Taliban and other individuals, groups, undertakings and entities associated with them ("the Consolidated List"). The List is split into four sections covering (1) individuals and (2) entities associated with the Taliban, and (3) individuals and (4) entities associated with Al-Qaida. The names of individuals and entities that have been removed from the List can be found under the De-Listing section of the Committee's website (explained below). The Consolidated List serves as the foundation for the implementation and enforcement of the sanctions against Al-Qaida and the Taliban. The latest version of the List can be found at: <http://www.un.org/Docs/sc/committees/1267/1267ListEng.htm>.
2. The Committee is continuously seeking to improve the information on the List to ensure that the sanctions measures can be implemented effectively. In paragraph 24 of resolution 1822 (2008), the Security Council encouraged all Member States, in particular designating States and States of residence or nationality, to submit to the Committee additional identifying and other information, along with supporting documentation, on listed individuals, groups, undertakings, and entities, including updates on the operating status of listed entities, groups and undertakings, the movement, incarceration or death of listed individuals and other significant events, as such information becomes available.
3. In accordance with paragraph 19 of resolution 1526 (2004), the Secretariat transmits a hard copy of the entire Consolidated List to the Member States on a quarterly basis. At the same time, all updates to the List, whether it be the addition of new name(s), the deletion of a name(s) or changes in the identifying information of the names already on the List, are disseminated to the Member States in three ways:
 - i. Through the issuance of press releases;
 - ii. The circulation of a Note Verbale; and
 - iii. Via Email. Such email updates are sent to more than 300 contact points provided by Member States and relevant international, regional and sub-regional organizations.
4. To assist UN Member States to have a better understanding of the updating process, the 1267 Committee has provided a Fact Sheet which can be found on the Committee's website at: http://www.un.org/sc/committees/1267/fact_sheet_consolidated_list.shtml
5. On 25 July 2006, the Committee assigned a permanent reference number for every name on the List. The permanent reference number **consists of three letters and two numbers** with the following meaning:
 - The first letter indicates whether it is in the Taliban (T) or the Al-Qaida (Q) section of the List.
 - The second letter indicates whether it is an individual (I) or an entity (E).
 - The third letter represents the first letter of the last name for individuals and the first letter in the name for entities.
 - The first number represents the order in which the individual/entity was added to the List.

- The second number represents the year the individual/entity was put on the List.
6. For example, for the entry “Name: 1. ABDUL QADEER 2: ABDUL BASEER 3: na 4: na.” the permanent reference number is **TLA.128.01**. The first letter, T, indicates that this name is in the Taliban section of the List. The second letter, I, indicates that it is an individual. The third letter, A, indicates that the individual’s last name (family name) begins with an A. The first number, 128, indicates that he was the 128th individual to be added to that section of the List. Finally, the last number, 01, indicates that he was added to the List in the year 2001. Permanent reference numbers never change and provide a useful way to refer to entries on the List without risk of confusion as well as a reliable way to locate or look up the name of an individual or entity when known.
 7. The 1267 Committee also approved a “Guidance Note” to help States to make effective searches of the names on the List. The latest version of this Guidance Note can be found on the Committee’s website at:
<http://www.un.org/sc/committees/1267/pdf/sguidance.pdf>.

Listing

8. Section 6 of the [Committee's guidelines](#) sets out the procedures for the submission of listing requests and other listing issues.
9. Member States are encouraged to submit names for listing as soon as they gather supporting evidence of association by the individual or entity concerned with Al-Qaida and/or the Taliban. The Committee will consider proposed listings on the basis of the “associated with” standard described in paragraph 2 of resolution 1617 (2005) as reaffirmed in paragraph 2 of resolution 1822 (2008).
10. Paragraph 2 of resolution 1617 (2005) as reaffirmed in paragraph 2 of resolution 1822 (2008) states as follows:
“.... acts or activities indicating that an individual, group, undertaking, or entity is “associated with” Al-Qaida, Usama bin Laden or the Taliban include:
 - (a) participating in the financing, planning, facilitating, preparing, or perpetrating of acts or activities by, in conjunction with, under the name of, on behalf of, or in support of;
 - (b) supplying, selling or transferring arms and related materiel to;
 - (c) recruiting for; or
 - (d) otherwise supporting acts or activities of;
 Al-Qaida, Usama bin Laden or the Taliban, or any cell, affiliate, splinter group or derivative thereof.”
11. Paragraph 3 of resolution 1617 (2005) as further reaffirmed in paragraph 3 of resolution 1822 (2008) states: “...any undertaking or entity owned or controlled, directly or indirectly, by, or otherwise supporting, such an individual, group, undertaking or entity associated with Al-Qaida, Usama bin Laden or the Taliban shall be eligible for designation.”

12. In paragraph 9 of resolution 1822 (2008), the Security Council encouraged all Member States to submit to the Committee for inclusion on the Consolidated List names of individuals, groups, undertakings, and entities participating, by any means, in the financing or support of acts or activities of Al-Qaida, Usama bin Laden and the Taliban, and other individuals, groups, undertakings, and entities associated with them, as described in paragraph 2 of resolution 1617 (2005) and reaffirmed in paragraph 2 of resolution 1822 (2008).
13. In accordance with paragraph 4 of resolution 1617 (2005), as reiterated in paragraph 5 of resolution 1735 (2006) and as reaffirmed in paragraph 12 of resolution 1822 (2008), Member States also need to provide a detailed statement of case in support of the proposed listing. The statement of case should provide as much detail as possible on the basis(es) or justification for the listing, including:
 - a. specific findings demonstrating the association or activities alleged;
 - b. the nature of the supporting evidence (e.g., intelligence, law enforcement, judicial, media, admissions by subject, etc.);
 - c. supporting evidence or documents that can be supplied; and
 - d. the details of any connection with a currently listed individual or entity.
14. In accordance with paragraph 12 of resolution 1822 (2008), States also need to identify those portion(s) of the statement of case the Committee may publicly release, including for use by the Committee for development of the summary described in paragraph 13 of resolution 1822 (2008) or for the purpose of notifying or informing the listed individual or entity, or release to Member States upon request.
15. In paragraph 13 of resolution 1822 (2008), the Security Council directed the 1267 Committee, with the assistance of the Monitoring Team and in coordination with the relevant designating States, after a name is added to the Consolidated List, to make accessible on the Committee's website a narrative summary of reasons for listing for the corresponding entry or entries on the Consolidated List, and further directed the Committee, with the assistance of the Monitoring Team and in coordination with the relevant designating States, to make accessible on the Committee's website narrative summaries of reasons for listing for entries that were added to the Consolidated List before the date of adoption of the resolution. These narrative summaries are available on the Committee's website at the following URL:
<http://www.un.org/sc/committees/1267/narrative.shtml>.
16. In Annex I to resolution 1735 (2006) the Security Council provided a Cover Sheet for the use of Member States for the submission of new names for listing. The submitted Cover Sheet should include, to the extent possible, relevant and specific information to enable the accurate identification by the competent authorities who have to implement the sanctions measures against the individual, group, undertaking or entity submitted for listing. States are also encouraged to use the cover sheet for the submission of identifying information on all the names on the List. This Cover Sheet can be found on the Committee's website at: <http://www.un.org/sc/committees/1267/pdf/coversheet.pdf>.
17. To further assist UN Member States, the 1267 Committee has also provided a Fact Sheet giving basic information on the listing procedure which can be found on the Committee's

website under “Listing” at:

http://www.un.org/sc/committees/1267/fact_sheet_listing.shtml

18. For new entries to the Consolidated List (listing), in accordance with paragraph 15 of resolution 1822 (2008), and upon the prior decision of the Committee, the Secretariat shall, after publication but within one week after a name is added to the Consolidated List, notify the Permanent Mission of the country or countries where the individual or entity is believed to be located and, in the case of individuals; the country of which the person is a national (to the extent this information is known), and include the publicly releasable portion of the statement of case, a description of the effects of designation, as set forth in the relevant resolutions, the Committee’s procedures for considering delisting requests, and the provisions of resolution 1452 (2002) in its communication to the Member States.
19. Under paragraph 17 of resolution 1822 (2008), Member States receiving such notification are required to take, in accordance with their domestic laws and practices, all possible measures to notify or inform in a timely manner the listed individual or entity of the designation and to include with this notification a copy of the publicly releasable portion of the statement of case, any information on reasons for listing available on the Committee’s website, a description of the effects of designation, as provided in the relevant resolutions, the Committee’s procedures for considering delisting requests, and the provisions of resolution 1452 (2002) regarding available exemptions.
20. Also, unless the Committee decides otherwise, any new entry to the Consolidated List will be transmitted to Interpol to request, where feasible, the issuance of a UNSC-Interpol Special Notice. The Special Notices, launched in December 2005, are the result of cooperation between the Committee and Interpol and are intended to assist Member States in identifying the individuals on the Consolidated List. The Special Notices can be found at: <http://www.interpol.int/Public/NoticesUN/Default.asp>

Review of names

21. In paragraph 25 of resolution 1822 (2008), the Security Council directed the Committee to conduct a review of all names on the Consolidated List at the date of adoption of the resolution, by 30 June 2010, under which the relevant names are to be circulated to the designating States and States of residence and/or citizenship, where known, pursuant to the procedures set forth in the Committee’s guidelines, in order to ensure the Consolidated List is as updated and accurate as possible and to confirm that listing remains appropriate. The modalities for the review can be found in a new Section of the Committee’s revised Guidelines (Section 9) which was added on 9 December 2008.
22. The review process is a key priority of the Committee. It pertains to the names that were designated to the Consolidated List prior to 30 June 2008. Pursuant to the Guidelines, the Committee circulates a batch of names on the Consolidated List to the designating State(s) and the State(s) of residence and/or nationality. The Committee started sending letters to Member States in December 2008, immediately after the adoption of its revised Guidelines. These States were requested to submit to the Committee, within a three-month period, any updated information on the reasons for listing, as well as any additional identifying information. The reviewing States were also requested to indicate

whether they deemed the listing(s) still appropriate.

23. Once the Chair receives replies from the reviewing States, all available information is circulated to the members of the Committee and the Monitoring Team for possible further input, within a one-month period. At the end of this process, each name will be placed on the Committee's agenda. In the course of the review, the Committee will evaluate all available information and consider whether the listing(s) remains appropriate. Thereafter, it will decide whether or not to update the Consolidated List and/or narrative summaries on the basis of the additional information provided. In those cases where a reviewing State or member of the Committee determines that a listing is no longer appropriate, it may submit a delisting request following the procedures set out in Section 7 of the Guidelines, and the Committee will decide whether to remove a name under review from the Consolidated List.
24. In paragraph 26 of the same resolution, the Security Council further directed the Committee, upon completion of the review described in paragraph 25 above, to conduct annually, a review of all names on the Consolidated List that have not been reviewed in three or more years, under which the relevant names are to be circulated to the designating States and States of residence and/or citizenship, where known, pursuant to the procedures set forth in the Committee's guidelines, in order to ensure the Consolidated List is as updated and accurate as possible and to confirm that the listings remain appropriate.

De-Listing

25. Section 7 of the [Committee's guidelines](#), provides that, without prejudice to available procedures, any individual(s), groups, undertakings, and/or entities on the Consolidated List, may submit a petition for de-listing. In the de-listing submission, the petitioner needs to provide justification for the de-listing request, offer relevant information and request support for the de-listing.
26. Petitioners can submit a request for de-listing either through the focal point process established by [resolution 1730 \(2006\)](#) and outlined in paragraph 7 (g) of the guidelines, or through their State of residence or citizenship as outlined in resolution 1730 (2006) and in paragraph 7 (h) of the guidelines. A [standard form](#) for the submission of de-listing requests can be found in the de-listing section of the Committee's website at: <http://www.un.org/sc/committees/1267/pdf/De-listing%20form%20-%20English.pdf>
27. The 1267 Committee has provided basic information on the de-listing procedures in a Fact Sheet on the Committee's website under "De-listing" at: http://www.un.org/sc/committees/1267/fact_sheet_delisting.shtml
28. A Fact Sheet on the Focal Point process can also be found on the Committee's website at: <http://www.un.org/sc/committees/dfp.shtml>. A standard form for such de-listing request can be found at: <http://www.un.org/sc/committees/1267/pdf/De-listing%20form%20-%20English.pdf>
29. In paragraph 20 of resolution 1822 (2008), the Security Council urged designating States

and States of citizenship and residence to review de-listing petitions received through the Focal Point, in accordance with the procedures outlined in the annex to resolution 1730 (2006), in a timely manner and to indicate whether they support or oppose the request in order to facilitate the Committee's review.

30. The Committee has also issued a Note Verbal dated 25 April 2006 to inform Member States of the procedures for the removal of names of deceased individuals on the List, on a case by case basis. These procedures are also set out in paragraph 7 (f) of the Committee's guidelines. The Note Verbal can be found on the Committee's website at: http://www.un.org/sc/committees/1267/deceased_individuals.shtml
31. With effect from February 2008, the names of those individuals and entities that have been removed from the List can be found under the De-listing section of the Committee's website at: <http://www.un.org/sc/committees/1267/delisting.shtml>.
32. In paragraph 23 of resolution 1822 (2008), the Security Council also decided that the Secretariat shall, within one week after a name is removed from the Consolidated List, notify the Permanent Mission of the country or countries where the individual or entity is believed to be located and, in the case of individuals, the country of which the person is a national (to the extent this information is known), and that States receiving such notification take measures, in accordance with their domestic laws and practices, to notify or inform the concerned individual or entity of the delisting in a timely manner.

THE COMMITTEE'S WEBSITE

1. The 1267 Committee has a website at: <http://www.un.org/sc/committees/1267> where many useful documents can be found. The UN Secretariat helps the 1267 Committee maintain its website by updating the Consolidated List as soon as changes are made (including additions and deletions). The Secretariat of the Committee can be contacted by email at: SC-1267-Committee@un.org.
2. The 1267 Committee continues to enhance its procedures and has guidelines for the conduct of its work, including for listing and de-listing. The Committee's guidelines can be found at: http://www.un.org/sc/committees/1267/pdf/1267_guidelines.pdf.
3. The Committee's enhanced website now contains several new sections including documents such as Fact Sheets on each of the following: (i) listing; (ii) de-listing; (iii) exemptions to the travel ban; (iv) exemptions to the assets freeze; and (v) updating the Consolidated List. The web-links to these key documents have been referred to in the earlier pages above. Other key documents include: a "latest news section" which can be found at: <http://www.un.org/sc/committees/1267/latest.shtml>.
4. The Committee has also approved a paper on the 'Experiences of Member States' which has been placed on its website under "Useful Papers". This paper is only intended to highlight how some States have implemented the Al-Qaida/Taliban sanctions measures in case other Member States, taking into account their own situation and needs, may find them useful examples to consider. The list of Member State experiences is not a judgment on any Member State or indication that these are practices which other Member States must follow. It can be found at: <http://www.un.org/sc/committees/1267/ExperiencesofMemberStates.pdf>
5. Under paragraph 18 of resolution 1822 (2008), the Security Council encouraged Member States receiving notification of a new listing in accordance with paragraph 15 of the same resolution, to inform the Committee on steps they have taken to implement the sanctions measures, and on the measures taken in accordance with paragraph 17 of the resolution to notify or inform in a timely manner the listed individual or entity of the designation. The Security Council further encouraged Member States to use the tools provided on the Committee's website to provide this information. These tools are: (i) 'Annual Statement of Information' which is intended as an annual reminder to Member States of all changes to the Consolidated List in the preceding year so that they can take the necessary action on these changes and (ii) 'Voluntary National Assessment of Implementation Survey' to assist Member States to provide the Committee with necessary information.
