

**United Nations Television and Photo
SIDS Conference
Mauritius, 10-14 January 2005**

TV Coverage

Live coverage is provided of the plenary, press conferences, roundtables and other scheduled events on three simultaneous programs. Taped coverage of photo opportunities including activities of the United Nations Secretary-General is also provided. Coverage is in PAL format recorded in Betacam SP and DVCam. Live access is at no charge at the Conference. For international transmission rates and services see the references below. Programme materials may be obtained 6 weeks after the conference from the United Nations Visual Materials Library.

Photo Coverage

Coverage as above is also available. Photos may be downloaded using anonymous FTP <ftp://192.196.14.150/pub> during the conference and may be obtained from the United Nations Photo Library in New York during the event and thereafter.
