UNRWA students excel in Comprehensive Exam

Amman- The students of UNRWA's Amman Training Centre (ATC) and Wadi Seer training Centre (WSTC) achieved excellent results in the comprehensive exam held this year by the Ministry of Higher Education for the graduates of all community colleges in Jordan.

According to the results of the exam which have been recently announced, the ATC students achieved a pass rate of 99.44% against a national pass rate of 66.90%, while the pass rate of WSTC was 100% against a national pass rate of 72.2%.

Some 179 students from the ATC sat for the exam in the specializations of Dental Hygiene, Medical Records, Assistant Pharmacists, Business Administration, Secretarial and Office Management and Banking and Finance Management. 178 students passed the exam, 27 of whom were among the top 5 places countrywide in their specialization.

From WSTC, 133 students sat for the exam in the specializations of Land Surveying, Civil Engineering, Architectural Engineering and Industrial Electronics. They all passed the exam and achieved high marks as 18 of them were among the top 5 places countrywide in their specializations.
