This is the premier UNITED NATIONS GLOBAL FORUM FOR CIVIL SOCIETY, which will provide you and your company with valuable exposure to potential clients, consumers and networking contacts, while aiding speakers and participants from the developing world to participate in this very important event.

The 64th Annual United Nations Department of Public Information (DPI) / Non-Governmental Organizations (NGO) Conference, *Sustainable Societies; Responsive Citizens*, will take place 3 – 5 September, 2011 at the Maritim Hotel in Bonn, Germany. The United Nations DPI/NGO Conference is the premier annual civil society event at the United Nations. The Conference is being organized in partnership with the UN Department of Public Information, the NGO/DPI Executive Committee, the Federal Government of Germany, the City of Bonn, and UN Volunteers.

The Conference will highlight multi-stakeholder contributions to the **Rio+20 Conference** by considering the themes of environmental sustainability, green manufacturing and commerce, transparent governance and grassroots activism, while promoting awareness of the 10th anniversary of the International Year of Volunteers.
