A popular singer, songwriter and composer, Shimon Buskila has made his mark as one of Israel’s most outstanding artists. Born in Netivot, Israel, and of Moroccan heritage, Shimon Buskila sings in both Hebrew and Moroccan. He has written songs for some of Israel’s greatest artists, such as Idan Raichel, and has also released two solo albums. This will be Buskila’s first ever solo performance in the United States, and we are excited to bring his music to the United Nations for what will be a spectacular evening.
