Co-hosts:

**Ethiopia, Italy, Jordan, Lebanon, the Netherlands, Niger, Nigeria, IOM & UNHCR**

This High-Level Side Event will seek to explore the regional dimension of large movements of people across Africa, Middle east, the Mediterranean Sea, and Europe.

A panel of distinguished experts in the field of human mobility will lead the discussion and offer insights on issues such as the protection of vulnerable migrants, examples of solidarity and integration, combating human trafficking, saving lives at sea and effective international partnerships to ensure safe and regular migration and refugee flows.

A formal invitation, containing further information, will follow in due course.
