Parenting and Optimal Child Development

June 1, Thursday, 3:00 – 5:00 PM

Conference Room 2, UN Headquarters

The 2012 UN General Assembly resolution A/RES/66/292 established June 1 as Global Day of Parents to honor parents throughout the world. The speakers will explore recent scholarly research on children's optimal development as related to the mother-child and father-child relationships and family cohesion. Spiritual development within family relationships will also be explored.
