**Item 5****Report of the Chairperson on activities undertaken between the thirty-sixth and thirty-seventh sessions of the Committee**

Under this item, the Chairperson will brief the Committee on activities and events occurring since the previous session that had a bearing on the Committee's work.

**Item 6****Consideration of reports submitted by States parties under article 18 of the Convention on the Elimination of All Forms of Discrimination against Women**

Article 18 of the Convention provides that States parties to the Convention shall undertake to submit to the Secretary-General, for consideration by the Committee, a report on the legislative, judicial, administrative or other measures that they have adopted to give effect to the provisions of the Convention and other progress made in that respect. Reports are to be submitted within one year after the entry into force of the Convention for the State concerned and thereafter at least every four years and further, whenever the Committee requests.

Based on General Assembly resolution 60/230, the Committee at its thirty-seventh session will meet for up to seven days in parallel chambers to consider periodic reports of States parties. At its thirty-sixth session the Committee decided to invite 14 States parties to present their periodic reports, and 1 State party to present its initial report. All 15 States parties agreed to that request.

At its thirty-sixth session, the Committee agreed on the need for basic and consistent criteria for determining membership in chambers while recognizing the need for some flexibility to make adjustments in the composition of the two chambers, as may be necessary. These criteria include fair geographical balance of experts between the two chambers; length of experience

of experts on the Committee; assignment of experts who are nationals of a reporting State to the chamber that is not considering the report from that State party; assignment of office holders of the Committee to each chamber; and geographical balance, to the extent possible, of States whose reports are to be taken up in each chamber. Taking into account these criteria, the Committee agreed to decide on the membership in chambers based on a proposal to be submitted by its Bureau for action by the Committee in advance of each session.

Also at its thirty-sixth session, the Committee established the composition of the parallel chambers for the thirty-seventh session (see annex II).

At its thirty-seventh session, the Committee will have before it the following reports: the sixth periodic report of Austria (CEDAW/C/AUT/6); the combined second and third periodic report of Azerbaijan (CEDAW/C/AZE/2-3); the combined fifth and sixth periodic report of Colombia (CEDAW/C/COL/5-6); the sixth periodic report of Greece (CEDAW/C/GRC/6); the combined second and third periodic report of India (CEDAW/C/IND/2-3); the second periodic report of Kazakhstan (CEDAW/C/KAZ/2); the combined second and third periodic report of Maldives (CEDAW/C/MDV/2-3); the combined second and third periodic report of Namibia (CEDAW/C/NAM/2-3); the fourth periodic reports of the Netherlands (CEDAW/C/NLD/4 and CEDAW/C/NLD/4/Add.1); the sixth periodic report of Nicaragua (CEDAW/C/NIC/6); the sixth periodic report of Peru (CEDAW/C/PER/6); the combined fourth and fifth, as well as sixth periodic report of Poland (CEDAW/C/POL/4-5, and CEDAW/C/POL/6); the third periodic report of Suriname (CEDAW/C/SUR/3); the combined initial, second and third periodic report of Tajikistan (CEDAW/C/TJK/1-3); and the combined fifth and sixth periodic report of Viet Nam (CEDAW/C/VNM/5-6).

Rule 51 of the rules of procedure provides that representatives of a State party shall be present at meetings of the Committee when the report of the State is being examined and shall participate in discussions and answer questions concerning the report. The Secretary-General has informed the States parties concerned of the tentative dates on which their reports are scheduled for consideration by the Committee at its thirty-seventh session.

Rule 49 of the rules of procedure provides that, at each session, the Secretary-General shall notify the Committee of the non-receipt of any report required from a State party under article 18 of the Convention. The Secretary-General also provides the Committee with a list of reports submitted by States parties to the Convention, as well as a list of reports submitted by States parties to the Convention that have not yet been considered by the Committee

At its thirty-seventh session, the Committee will have before it the report of the Secretary-General on the status of submission of reports by States parties under article 18 of the Convention (CEDAW/C/2007/I/2).

A pre-session working group of the Committee is convened before each session to prepare a list of issues and questions relating to reports for transmission to the States parties before the meetings at which their reports are to be considered. The pre-session working group for the thirty-seventh session met in New York from 31 July to 4 August 2006. The report of the pre-session working group and the responses of States parties to the lists of issues and questions drawn up by the pre-session working group will be before the Committee.
